First Mortgage Funding And Lottery Disclosure Statement

I acknowledge that the Homeownership Program from the City of Santa Ana requires me to get pre-qualified for a first mortgage by Bank of America. I further acknowledge that the pre-qualification approval from Bank of America does not require me to obtain my first mortgage financing with Bank of America. I understand that I have the option to obtain a 30-year, fixed rate mortgage with any lender that I choose as long as my loan meets program requirements.

The homeowner will be selected by lottery when there are multiple qualified homebuyers.
