

Dear Parent or Guardian of Potential Camp Erin Participant:

Camp Erin is a special camp for children and teens ages 6-17 that have lost someone close to them. The camp is free of charge and is a weekend long event, combining grief support and emotional counseling. Structured games, music, art, stories, and other therapies teach bereaved campers about grief and how to understand their feelings. With support from professionally trained staff and volunteers, children share their experiences and gain valuable skills that help them through the healing process while also having the chance to interact with their peers also coping with loss. The children are referred to Camp Erin through a variety of sources including: hospices, schools, churches, counselors, and agencies serving children and their families.

Once your application has been received, The Spencer Hospice Foundation will interview the children and their guardians, prior to camp, to verify they are appropriate for this camp experience. During the interview, we explain the purpose and premise of the program so families are prepared to participate. In addition, we offer specially designed sessions for parents, which provide skills to strengthen their understanding of how to be an effective support system for their children.

Camp Erin is made possible through a partnership between The Spencer Hospice Foundation and The Moyer Foundation. The Spencer Hospice Foundation is an Orange County based non-profit dedicated to enhancing the quality of life for terminally ill patients and their families. The Moyer Foundation is non-profit organization founded by World Series champion, All-Star MLB pitcher Jamie Moyer and his wife, Karen with a mission of helping children in distress.

Camp Erin Orange County will be held **August 13-15th, 2010** at the Irvine Ranch Outdoor Education Center in the city of Orange.
