September 18, 2010
Save the date

Dear Delhi Friends,

This year Delhi Community Center celebrates 41 years of proudly serving the community. We have worked tirelessly to provide assistance and services to Latino families in the areas of health, economic development, recreation, cultural arts and education.

On Saturday evening, September 18, 2010 from 6:00 p.m. - 09:00 p.m., Delhi Center will take a moment to celebrate our accomplishments and to honor the leaders who have been essential to our achievements. The event will be held at Delhi Center at 505 East Central Ave. in the city of Santa Ana, 92707. Our annual Gala dinner honors the memory of Manuel Esqueda, Visionary, Philanthropist and Leader.

Sincerely,

Margarita Chavez
