Dear Neighborhood Association Leader:

Santa Ana values its partnerships with the more than 58 neighborhood associations located in the city. Our uniquely different neighborhoods reflect the diversity and spirit for which our city has become known.

Because the vitality of our neighborhoods is so important to us, we have assembled a community "ToolBook" which includes information and programs that will help our communities grow strong. The "ToolBook" also has material that can assist the leadership of the associations as they work with our residents to achieve their common goals.

We hope you will find the "ToolBook" a valuable resource. We plan to update the information regularly and we will continue to seek your advice and suggestions on material that can be added to further serve your needs.

If you have any questions please feel free to contact our Neighborhood Improvement staff at 667-2260.

Sincerely,

David N. Ream  
City Manager
