Executive Summary:

The City of Santa Ana will use NSP 2 funds to undertake the following activities/programs under the financing mechanism:

- Downpayment Assistance
- Acquisition of Single Family Homes
- Rental Housing
- Administration

Target Geography:

Various locations throughout the City's NSP 2 Priority Area.

Program Approach:

Eligible Fund Use

The City of Santa Ana will use NSP 2 funds to undertake the following activities/programs under the financing mechanism. Programs 1 and 4, described below, will be implemented by the City and Programs 2 and 3 will be performed by intermediaries working on behalf of the City.

Program 1: Downpayment Assistance - \$400,000

The City will make downpayment loans available to households at or below 120 percent of area median income. These loans will be deferred for thirty years and have zero interest. They will be due and payable at the end of the thirty year period or at such time as the home is sold.

The maximum loan amount will be 10 percent of the sales price or \$40,000, whichever is lower. Borrowers will be required to qualify for fixed conventional first mortgage loan, and downpayment loan amount will be restricted to the amount necessary to purchase the home. This program will be managed by City staff who will work directly with interested homebuyers and realtors. In accordance with requirements, participants will be required to attend a minimum of eight hours of HUD-approved homebuyer counseling.

Program 2: Acquisition and Rehabilitation of Single Family Homes - \$6,100,000

This program will facilitate acquisition and rehabilitation of abandoned or foreclosed owner-occupied residences through intermediaries. Upon completion, remodeled homes will be marketed and sold to households with incomes at or below 120 percent of area median income. Homes completed through this program will be in compliance with the California Health and Safety Code and will include energy-efficient features and drought-resistant landscaping. The City will provide loans to homebuyers that will carry 3 percent interest rates, and be due and payable in 45 years, or at such time as the home is sold or ceases to be used as the owners' principal residence. The interest will be forgivable over the 45 years. In accordance with requirements, participants will be required to attend a minimum of eight hours of HUD-approved homebuyer counseling.

Program 3: Acquisition and Rehabilitation of Rental Housing - \$2,500,000

This program will be used to acquire and rehabilitate foreclosed or abandoned properties suitable for rental housing (condominiums, duplex, multifamily). After acquisition and rehabilitation, such housing will be code compliant, energy efficient and be restricted to very low-income households at rents affordable to such households. The City has budgeted more than 25 percent of the anticipated NSP grant and will use this program to meet its very low-income requirement. Funds will be offered in the form of residual receipts payment loans carrying interest rates ranging from 0 percent to 3 percent depending on anticipated cash flow. The term of the loan will be 55 years, and the City will record trust deeds and covenants to insure affordability for that period of time.

Program 4: Administration - \$1,000,000

The Administration will provide funding for the City to operate the Neighborhood Stabilization Program. Income Targeting/Benefit

In accordance with NSP 2 requirements, the City will use all funds appropriated or otherwise made available shall be used with respect to individuals and households whose income does not exceed 120 percent of area median income. Additionally, no less than 25 percent of the total grant will be used to benefit individuals and households whose income does not exceed 50 percent of area median income.

Activity Description:

This program will facilitate the acquisition and rehabilitation of abandoned or foreclosed owner-occupied residences through intermediaries. Upon completion remodeled homes will be marketed and sold to households with incomes at or below 120 percent of the area median. Homes completed through this program will be in compliance with the California Health and Safety Code and will include energy-efficient features and drought-resistant landscaping. The City will provide silent second loans to homebuyers that will carry 3 percent interest rates, and be due and payable in 45 years, or at such time as the home is sold or ceases to be used as the owner's principal residence. The interest will be forgivable over the 45 years. In accordance with NSP 2 requirements, participants will be required to attend a minimum of eight hours of HUD approved homebuyer counseling. The City anticipates that through this activity it will be able to facilitate the purchase, rehabilitation and resale of at least 60 homes, with an average NSP2 investment of \$60,000 per home.

Location Description:

Various locations throughout the City's NSP 2 Priority Area.

Activity Progress Narrative:

The City's Intermediary, ANR, has been actively seeking foreclosed properties through the MLS and the Neighborhood Community Stabilization Trust (NCST).

This quarter, ANR assessed 3 properties from the MLS. Of these, ANR put in an offer on 3 properties and 2 were outbid by higher or stronger offers. One (1) offer is still pending a response from the seller.

Through NCST, the City was offered a total of 23 properties this quarter, (5 in April, 5 in May, and 13 in June). Of these, there were 11 single family properties evaluated to determine if they meet program goals of which 2 are in escrow for acquisition. The City anticipates closing on these properties next quarter. The remaining properties were rejected because they were either not in the NSP 2 Priority Area or did not fit the program goals.

Currently, there are 5 single family properties under rehabilitation and 4 properties are available on the MLS for resale and should close in the next quarter. In addition, 8 properties closed resale escrow and were sold to 120% AMI eligible households. The City received \$526,864.32 in program income from the resale. See below for more details:

This program will be used to acquire and rehabilitate foreclosed or abandoned properties suitable for rental housing (condominiums, duplex, multifamily). After acquisition and rehabilitation, such housing will be code compliant, energy-efficient and be restricted to very low-income households at rents affordable to such households. The City has budgeted 25 percent of the anticipated NSP grant for this program and will use it to meet its very-low income requirement. Funds will be offered in the form of residual receipts payment loans carrying interest rates ranging from 0 percent to 3 percent depending on anticipated cash flow. The term of the loan will be 55 years, and the City will record trust deeds and covenants to insure affordability for that period of time. The City anticipates that through this activity it will facilitate the purchase and rehabilitation of at least 30 rental units. The City intends to commit \$2.5 million or 25 percent of its requested grant amount to this activity.

Location Description:

Activity Progress Narrative:

The City's Intermediary, Orange Housing Development Corp (OHDC) and C&C Development (C&C) purchased a 26-unit apartment complex within the City's NSP 2 target area on April 8, 2011. Twenty-five units will be restricted to 50% AMI households per the NSP guidelines; the remaining unit will be a manager's unit. Currently, the non-profit is proceeding with the relocation of the current tenants to move forward with the construction phase of the project.
