## Activity Description:

This program will facilitate the acquisition and rehabilitation of abandoned or foreclosed owner-occupied residences through intermediaries. Upon completion remodeled homes will be marketed and sold to households with incomes at or below 120 percent of the area median. Homes completed through this program will be in compliance with the California Health and Safety Code and will include energy-efficient features and drought-resistant landscaping. The City will provide silent second loans to homebuyers that will carry 3 percent interest rates, and be due and payable in 45 years, or at such time as the home is sold or ceases to be used as the owner's principal residence. The interest will be forgivable over the 45 years. In accordance with NSP 2 requirements, participants will be required to attend a minimum of eight hours of HUD approved homebuyer counseling. The City anticipates that through this activity it will be able to facilitate the purchase, rehabilitation and resale of at least 60 homes, with an average NSP2 investment of \$60,000 per home.

## Location Description:

Various locations throughout the City's NSP 2 Priority Area.

## Activity Progress Narrative:

The City's intermediary, ANR, has been actively seeking foreclosed properties in the priority area through both the MLS and NCST. This quarter, ANR assessed 26 properties from the MLS. Of these, ANR put in an offer on 1 property, which is in escrow for acquisition. The City anticipates closing on this property next quarter. Through NCST, the City has been offered a total of 28 properties this quarter (6 in January, 8 in February, and 13 in March). These properties were evaluated to determine if they met program goals. All of these properties were rejected because they were either not in the NSP 2 priority area or did not fit the program goals.

**Activity Description:**

This program will be used to acquire and rehabilitate foreclosed or abandoned properties suitable for rental housing (condominiums, duplex, multifamily). After acquisition and rehabilitation, such housing will be code compliant, energy-efficient and be restricted to very low-income households at rents affordable to such households. The City has budgeted 25 percent of the anticipated NSP grant for this program and will use it to meet its very-low income requirement. Funds will be offered in the form of residual receipts payment loans carrying interest rates ranging from 0 percent to 3 percent depending on anticipated cash flow. The term of the loan will be 55 years, and the City will record trust deeds and covenants to insure affordability for that period of time. The City anticipates that through this activity it will facilitate the purchase and rehabilitation of at least 30 rental units. The City intends to commit \$2.5 million or 25 percent of its requested grant amount to this activity.

**Location Description:**

Various locations throughout the City's NSP 2 Priority Area.

**Activity Progress Narrative:**
