Dear Neighborhood Leader:

I would like to invite you and members of your Neighborhood Association to a very important Com-link General meeting scheduled for Thursday, October 27. This meeting will be at a **NEW** location for Com-Link which is the **Santa Ana Senior Center** on the corner of 3rd and Ross in Downtown. Parking is available at no charge after 6:00pm in the parking structure across the 3rd street from the Santa Ana Senior Center. Due to the City's budget issues, parking validation can no longer provide for Com-Link and unfortunately, this will be one of the many changes that will occur as the City works hard to close a financial gap of 30 million dollars.

In that light, we are very pleased to announce that our main speaker for our October 27th meeting will be City Manager Paul Walters. The subject will be the growing Financial Crisis in the City and what can be done about it. This is an excellent opportunity to express your concerns in a constructive manner.

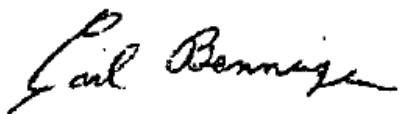

Also, Mr. Will Hayes of the City's Public Works Agency will speak on the effectiveness of the City's contractor for graffiti removal services. In addition, our ten-minute spotlight at this meeting will be on the Heritage Museum of Orange County. Come hear about all the activities they are doing to preserve and promote the heritage of Orange County.

The Com-link General meeting is open to all neighbors in the City of Santa Ana. We would like see at least one representative for each Neighborhood Association (NA). Please feel free to e-mail me at sum1@artnet.net or call me at 714-277-9762 if you have any questions or need directions.

Remember the purpose of Com-link is supply you with information to be given out to your neighborhood. This cannot be done if your NA is not represented.

With that, I hope to see you on Thursday, October 27th.

Sincerely Yours

Carl Benninger
Com-Link
