SECTION I. PURPOSE & INTRODUCTION

The purpose of the Management and Operation Plan (MOP) is to satisfy the requirements of the City of Santa Ana Emergency Shelter ordinance (SB2) and promote open communication between community stakeholders and the Salvation Army. The MOP identifies emergency housing services for homeless persons and best practices to maintain a safe and healthy environment for Hospitality House guests and the community. The overall purpose is to assist homeless men to achieve housing stability and self-sufficiency, with goals aligned to the national standards of The Hearth Act (2009). In addition, the MOP follows the guidelines adopted by the Orange County Commission to End Homelessness (December 2014).

This MOP is required in conjunction with the temporary relocation of the Hospitality House (HH) Emergency Shelter to 1710 West Edinger Ave, Santa Ana, and shall remain active while the new HH is being constructed at 818 East Third Street, Santa Ana. This temporary shelter will operate at the Youth Center of the Santa Ana Temple Salvation Army Church and will follow all requirements of this Management and Operation Plan, as well as all applicable City and County Codes and Standards. In coordination with The Salvation Army, the City may inspect the facility at any time for compliance with the facility’s MOP and other applicable laws and standards.

Any major changes affecting the MOP are subject to the review and approval of the Commanding Officer of The Salvation Army and the City Planning Manager in consultation with the Chief of Police. A copy of the MOP will be available to the community upon request to the Hospitality House Administration Office or City of Santa Ana Planning Division, as well as the City’s website at http://www.santa-ana.org/pba/planning/SalvationArmyHospitalityHouse.asp. A Memorandum of Understanding has been recorded against the property with the Orange County Records office, as agreed upon by The Salvation Army and the City of Santa Ana (Attachment 1). Any non-compliance with this MOP will be reviewed and corrected by The Salvation Army. TSA operation of the temporary facility is subject to consequences if not followed, including but not limited to Code Enforcement citations and possible fines.

A Temporary Certificate of Occupancy for up to twelve (12) months will be issued by the City of Santa Ana for the use of the existing building as a temporary emergency shelter; after twelve months the building will be vacated and returned back to its prior use as a Youth Center. The Salvation Army is committed to refurbishing the Youth Center and providing programing to the community, as communicated in a letter sent by the Salvation Army and on file with the City Manager.
SECTION II. SHELTER ADMINISTRATION

The Salvation Army, established in 1865, is a Christian Church and 501(c)(3) tax exempt non-profit organization. The IRS determination letter establishing 501 © (3) status (Attachment 2) is held on-site in the HH Policy and Procedure Manual. The following statements define the mission and purpose of The Salvation Army:

A. Mission Statements

The Salvation Army (TSA) Mission Statement

“The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.”

The TSA Social Services Mission Statement for Orange County

The Social Services Department will provide a coordinated Social Service system that empowers the homeless, oppressed, captive, broken and vulnerable persons in Orange County to become increasingly whole in Jesus Christ.

The Hospitality House Mission Statement

The Hospitality House (HH) will provide services to adult homeless men of all ages, faiths, race, ethnicity, sexual orientation, gender identity and expression, marital status, HIV status, abilities, and Veteran status in an environment that reduces trauma, encourages healing, and renews persons toward finding housing, success and wholeness.

B. Facility and Program Description

The purpose of Salvation Army Hospitality House is to serve a maximum of 49 single adult homeless men that find themselves in a housing crisis. The building and site layout for the Temporary Shelter is shown on the site plan (Attachment 3) and floor plan (Attachment 4). Guests are admitted with minimal requirements according to TSA established eligibility policies. Referrals from the Orange County Coordinated Entry System, other Salvation Army programs, Santa Ana Police Department, and other agencies approved by TSA will be considered for admission.
The Hospitality House program is divided into two phases:

1. **Hospitality House Phase I - Low Threshold Guests**

   **The Population Served**

   Phase I is located in the Santa Ana Temple Youth Center building. It consists of 36 “lowest threshold” emergency cots set up on the gymnasium floor. Guests are admitted with minimal requirements contingent upon space availability. Each Phase I guest will be screened for sex offender and probation status before admission (as detailed in admission section of document). No person validated on the sex offender registry (Megan’s Law) will be allowed to come to the shelter property. A person may stay a maximum of 14 consecutive nights per admittance.

   **Services Provided**

   The Low Threshold emergency section (Phase I) provides basic services and life skill activities. Participation in activities is voluntary but encouraged. We are committed to provide: shelter, food, showers, storage, and clothing, as well as access to specialized services such as our computer lab, laundry service and case management support.

   Each Phase I guest is assigned a cot and bedding for the length of his stay. A hot breakfast and dinner are provided daily as well as evening snacks. A 2 foot by 3 foot storage container is assigned to each guest for all carried-in possessions not needed during the night; these containers will be stored in the room to the right front side of the intake desk. Guests will have access to their assigned container in the storage room with the supervision of a staff person during intake and exit hours. A separate locked storage drawer at the intake desk is offered for personal valuables. New clothing is offered upon intake into the HH; guest’s clothes are washed by staff upon intake and weekly upon request. A “clothing closet” will be maintained in the alcove to the right of the intake desk. Each guest must take a shower every evening. Showers are located in the two restrooms inside the gymnasium. Toiletries are provided by HH as needed.

   A guest lounge/dining area (to the rear of intake desk in middle of the building) and an area on the enclosed patio are available for relaxation and social connection. TV, DVD, books, and games are provided in the guest lounge area. An Assessment interview will be conducted for each new guest on first night of arrival, in the Assessment Room, at the entrance to the gymnasium. Guests may
attain free clothing vouchers, bus passes, resources, and referrals from case management staff. Case management offices will be located in two rooms at rear right of lounge area. Computers will be available in the multi-purpose room adjoining the lounge to provide access to e-mail and internet resources for housing, jobs, and other business purposes.

Program Description

The best social work practices of Strengths Perspective and Trauma Informed Care theories are integrated into all programs. Each guest is welcomed as a person with dignity and respect and treated as a person who has God given strengths. Services are offered with an attitude of compassion that empowers each person toward restoration of body, mind, and spirit. Person-centered service plans are completed to meet goals toward restoration of housing, employment, health, relationships, and community responsibility.

Phase I guests are encouraged to take advantage of the staff’s assistance and to utilize any community resources that might be helpful. During the first assessment interview, each guest is assigned to a case manager for assistance with specific resources. Referrals are made for persons needing to connect to other community services. The Hospitality House staff attempts to meet the needs of the guests and assist them to progress toward growth and empowerment. Evening activities are presented throughout the week to offer resources and supportive services. Most of these presentations will be held in the multi-purpose room to the right of the guest lounge/dining area.

A variety of learning opportunities is offered:

- Psycho-educational programs for personal enhancement
- Informative programs to increase knowledge about resources
- Programs to encourage personal health
- Recovery Resources
- Recreational programs and special events
- Spiritual Growth opportunities

Participation in all Spiritual growth opportunities and other offered activities is voluntary. Guests staying at the Hospitality House are free to practice any religion, spiritual belief, or none at all. Staff works with those guests of all beliefs
and spiritual practices to connect them with organizations that can offer appropriate activities and services if so desired.

Target Goals/Expected Outcomes

Phase I guests will search for permanent, transitional or alternative housing, connect with resources that will decrease barriers of self-sufficiency, and/or gain safety, relationships, life skills, and respect for themselves and others.

2. Hospitality House Phase II - Job and Housing Program Guests

Phase II of the Hospitality House is a second level emergency program to provide housing and services at HH so that guests do can maintain stability while working on various needs to move to the next level of housing. The maximum number of beds for all Phase II programs is 15. The Phase II living quarters is located in the most Northwest section of the gymnasium. Cots are assigned according to the Phase II programs in which the approved guest participates.

Phase II Program participants are selected from Phase I guests after two weeks of review for motivation, attitude, and appropriateness for the program components offered. Guests must apply and be approved for Phase II participation by HH staff. All Phase II Program participants have been screened for sex offender status and not admitted. If a participant is on probation or parole, the participant is required to sign an agreement to share information with their Probation Officer and HH staff. Policies and requirements of the Phase II Program are explained to each participant and a Program Agreement is signed upon admission.

Phase II guests receive all services of Phase I guests, plus the services of their particularly designed program component. The total maximum stay for completing Phase I and Phase II is 6 months.

The Phase II Program has three components:

Housing Referral Program (HRP)

Population Served

Persons accepted into the HRP have completed nights for Phase I and are working with a case manager from a referring agency to enter a recovery program, temporary housing, or affordable permanent housing within 30 to 45 days. Veterans, guests with mental health disabilities, persons in a re-entry
program from incarceration, persons with physical disabilities, and persons referred by other TSA ministries have priority for admittance. HRP clients must be screened and accepted by HH Case Managers and Staff, show appropriate behavior, remain clean and sober, and be actively pursuing housing and services with the referring agency.

The time length of the HRP program is 30 to 45 days, depending on availability of housing, guest behavior during his stay, sobriety, and guest follow through with case manager requests for his program.

**Services Provided**

HRP guests receive stable housing, enhanced access to TSA case managers for support, accountability and linking of resources with referring agency, and additional spiritual growth and special events programming.

HRP guests are expected to meet weekly with the Case Manager from the organization assisting them in their housing search and to follow through with requirements of that organization to obtain housing. They also communicate with HH staff and Case Manager about progress in housing search.

**Expected Outcomes**

Graduates of the HRP will enter a recovery program or appropriate housing option where they are placed by the referring partner.

**Work Search Program (WSP)**

The Work Search Program (WSP) is a second level emergency program to provide free housing and services at HH to empower participants to find employment and receive income for permanent housing opportunities.

**Population Served**

Any guest of Phase I may be considered. Applicants must be employable, have all necessary identification to begin work, and be diligently pursuing employment. Applicants will complete an assessment and be selected by Homeless Service staff to enter the program. All participants must test negative for all illegal drugs, narcotics, and alcohol. The participant signs a Program Agreement and meets with a TSA case manager weekly for assistance and support with resources, job search, resumes, and interview skills. The time
length of the program is 4 weeks to obtain at least 25 hours of verified employment and 2 additional weeks (or until first full pay check) in that employment. Guests are required to complete an orientation job skills workshop, attend assigned activities and meet goals set by participant and case manager.

Services Provided

Guests are provided assistance with the job search process, resume writing, and interview skills; as well as clothing and transportation. The participant will have access to an orientation that teaches options for job searches, assistance with computer technology and job applications, and guidance in elements of writing a resume. As needed, a class will be provided on mock interviews, appropriate clothing and presentation for interviews, and follow up after interview. Each participant meets with a TSA case manager weekly for assistance and support with resources, job search, resumes, and interview skills. A monthly bus pass or gas voucher is provided each guest for help with transportation to places of employment for job search, applications, and interviews.

Laundry facilities are available for washing and ironing of interview clothing. A clothing closet and vouchers are available for attaining appropriate clothes for job search and interviews.

Program Descriptions

Work Search Program participants are expected to search for employment from 9am -3 pm five days per week and attend scheduled work skill trainings. Each participant meets with their assigned case manager weekly to review job search log, discuss successes and needs for improvement, be assisted with job resources, and have emotional support during the process. When a WSP guest finds employment, he works with his case manager to find an appropriate housing program or permanent housing. Guests are randomly tested for sobriety, follow a sobriety program, and attend at least one meeting or Spiritual enrichment opportunity per week. A support group and Spiritual Growth group are offered weekly. A graduation celebration is held for each participant that finds employment when completing the program.
Target Goals/Expected Outcomes

Graduates of the WSP are expected to be working 25 hours per week in steady employment and to obtain next step housing to maintain employment. Other goals are to: learn important work ethics, job search skills, and sobriety skills for sustained employment while being housed in a stable, structured environment; and to obtain transitional or permanent housing at completion of the WSP.

Integrated Employment Model Program (IEM)

The Population Served

The Integrated Employment Model (IEM) is a program which provides up to 90 days of shelter and services after a guest becomes employed. Participants are accepted through a screening process while staying as guests in the HH Phase I or Phase II programs. Participants must be employed a minimum of 25 hours in reliable employment, be accepted into the IEM program by HH staff review, test clean and sober throughout the program, sign a program agreement and follow the requirements therein.

Services Provided

All basic services for HH Phase II are provided for IEM guests as they continue to meet with their assigned case manager to work on housing, personal, and financial goals.

Program Description

The IEM program offers a person just beginning employment a safe, encouraging environment in which to live while adapting to a new job. Guests meet with their case manager bi-weekly to set “person-centered” goals and attain skills in maintaining their job. The case manager/guest relationship is very important for accountability, follow-through with goals, and emotional support. Budgeting skills are taught and practiced so that money skills are improved for sustaining a stable lifestyle. Guests save a percentage of their net income, a minimum of $200 per month. Case managers also assist guests in their search for suitable permanent housing, help negotiate with landlords, and obtain basic furniture needed for housing.
Target Goals/Expected Outcomes

Graduates of the IEM program are to: maintain employment for six months, save 80% their net adjusted income earned during program, complete 75% of “person-centered” goals planned with case manager, and obtain suitable permanent affordable housing.

C. Intake and Case Management

1. Admission Criteria and Procedures

   Phase I – Low Threshold Emergency Guests

A prospective guest must be able to perform all aspects of his care, follow all HH Rules (Attachment 5), and maintain appropriate, respectful behavior to be admitted. A form of official ID is required. If no ID is available, the case manager will give the guest an application for a California ID, guest will apply for the ID, and will use the receipt for their application as a temporary ID to use during stay until the official ID is obtained.

The Admission process will begin at the designated TSA shuttle stop close to the Civic Center in downtown Santa Ana. At this location, all prospective guests will be screened for eligibility by length of time between visits, through a search of Megan’s Law for sex offences, and by asking the person if they are on probation. Persons appearing on the sex registry list will not be admitted. Persons on probation will be asked to sign a release of information to let HH staff communicate with their assigned probation officer for security and program purposes. Admitted guests must show signs of sobriety and demonstrate positive behaviors. Persons meeting these criteria will be assigned a bed number and allowed on the shuttles. A shuttle service of 3 seven passenger vans will transport all screened guests to the temporary shelter.

New Guests

- Prospective new guests must be present at Civic Center Shuttle Stop at 3:30 PM for admission screening.
- Screening process is anticipated to take 15 minutes inside the shuttle
- Beds are assigned based on results of screening process. OC Coordinated Entry, SAPD, and referred guests by approved programs receive consideration for beds on a priority basis
There will be two shuttle trips for returning guests, – one leaving civic center at 4:00 PM and one at 5:00 PM. Guests may come to shuttle stop 15 minutes before shuttle departure time.

The Shuttle will transport guests directly to 1710 West Edinger Avenue

The Shuttle will drop guests off near the entrance to the temporary shelter

Those who do not receive a bed during first bed assignments (3:30pm) may return to the shuttle stop at 4:45 PM to be screened for a bed as available at 5PM.

Guests waiting for unclaimed beds will be screened and assigned a bed at 5:00 PM shuttle stop before the shuttle leaves for temporary shelter

Guests wait for intake inside the enclosed, fenced patio at entrance of temporary shelter for intake

Smoking is only allowed in a designated area on enclosed second portion of fenced patio of facility

Guests are not allowed to loiter in the surrounding neighborhood at any time

Returning Guests

Guests may return to Hospitality House on shuttle at 4:00 PM or 5:00 PM each night for which they have been approved for a bed

Guests may wait at Civic Center shuttle stop at 7:00 PM for transportation to the temporary shelter if they have been approved for a late call by HH staff the previous evening

Late calls are requested after intake period the evening before they are needed

Late calls are only given by HH intake staff with guest’s documentation of need

A shuttle will transport guests with late calls to HH temporary site at 7:00 PM.

No Phase I guests will be admitted to HH after the 7 PM shuttle trip.

Exit and Re-Admission Policies

Phase I Guests will exit shelter at 5:00 AM or 7:00 AM by shuttle to Civic Center

When a guest exits at his own volition the guest may come for re-admission after 30 days
• When a guest is asked to exit due to disobedience of rules, violence, or criminal activity, attendants will escort the person off the property and contact SAPD if needed for assistance
• Attendant will give the person a bus pass and see that he boards the next bus or provide resources for other transportation out of immediate area
• When a guest is asked to exit due to disobedience of rules, violence, or criminal activity, attendants will give him the designated time line for which he can be re-admitted
• Attendants follow HH policies on discipline for infractions to set this time line

Phase II - Job and Housing Program Guests

General Policies for all Phase II Guests

• Guests must adequately complete Phase I program
• Guests may ask to apply or be referred by staff to Phase II program
• All applicants must complete an Intake/Assessment Form, are interviewed by a case manager, and selected for the program component for which they apply with the consensus of HH and Case Management staff
• Criteria for admission is the attitude and behavior of guest in Phase I, motivation to move out of homelessness, strengths for succeeding in the program, and ability to find housing and/or maintain employment by end of program
• Guests are read a program agreement and rules of the program and must sign these documents to be admitted
• Guests must be clean and sober as shown by a drug and alcohol test administered at time of admission. A positive test is grounds for denying admission into the program
• Guests have been screened through the OC Sex Offenders site and found to not be a sex offender
• Guests have signed a Release of Information for communication with any assigned probation officer

Other admission policies differ with the component of program to which client applies and is included in the forms which guest signs upon acceptance into that program.
Exit and Re-Admission Policies

- Phase II guests may be exited before end of program for drug or alcohol use, non-compliance with program, or disobedience of program rules as stated in program agreement.
- Phase II guests may re-apply for the WSP or IEM program in one year, if needed. The same entrance requirements as for first admission are followed.

2. Intake and Orientation Procedures

Phase I - New Guests

All guests entering the HH for the first time, or coming back to the HH after the required interim period, partake in intake for new guests.

The following intake procedures will be conducted at the Shuttle Stop before transporting guest to the shelter:

- Guests are informed of the purpose, scope and contents of services offered at the Hospitality House at the outset of service delivery.
- Guest identifies himself and provides a picture ID if available
- A temporary ID may be assigned to guest until a picture ID is procured
- Staff checks intake history to determine if the person is eligible to return on this date
- Guests are screened for sex offender history
- Staff assigns a cot to guest

These steps of the intake procedure will be conducted at the Edinger Ave. Shelter:

- Guests wait for individual intake in the enclosed, fenced patio area the left of the facility entrance
- A HH staff or volunteer will be present in this area during intake process
- Guest reads and signs Hospitality House Rules agreement
- Guest fills out Information Card
- I.D. is kept at Intake Desk until after intake and shower
- Staff provides a clothing bag to wash a guest’s clothes and explains laundry policy
- Staff provides a tote for the guest to secure belongings not allowed in the shelter
• All belongings not coming into shelter are placed in assigned storage container and put in storage closet, under supervision of a HH Attendant or Volunteer
• Guests may access storage container at intake and exit times under supervision of staff
• Belongings remain in storage closet until morning exit from facility
• Staff provides a change of clothes (if necessary)
• Guest signs bed and meal intake sheets
• Guest completes Client Assessment Form and meets with a case manager
• HMIS and computer data policies are explained
• Guest signs HMIS agreement sheet
• Once guest finishes intake, he must remain in the facility until exit in the morning

The orientation for new guests begins at intake. Orientation is conducted in a way that is clear, consistent, and understandable and includes:

• Identification of the Attendant and their role
• Information about how the program operates
• Mission, program and services of the Hospitality House
• Clear communication regarding clients rights and responsibilities, and Information regarding grievance procedure

Phase I - Returning Guests

All guests returning after they have been assigned a Phase I bed follow a daily intake procedure:

• Guests wait in enclosed patio area for intake
• Staff reads the Hospitality House Rules prior to entry
• With staff supervision, guests may go to their assigned storage bin for any needed belongings after intake
• All of guests’ possessions brought into shelter are inspected
• Guests sign bed sheet and meal sheet
• All guests take a shower
• Staff enters intake onto guests’ intake cards and into Bridges software

Phase II - Guests

• Guests proceed to entry desk and sign in on Phase II guest roster
• Attendant inspects contents of backpack and any bags guest is carrying
• Guests take shower and proceed to living areas
• WSP and HRP guests must arrive at Hospitality House for intake by 7pm
• WSP and HRP guests will arrive by bus, approved bicycle, or shuttle
• WSP and HRP guests may arrive by bus after 7pm but before 10pm with permission from staff
• IEM guests arrive at Hospitality House by 7pm unless work shift is later
• IEM guests provide HH attendants with work schedule weekly
• Rationale for late admission must be communicated to attendants before 7pm
• Request for late admission is documented and posted at entry desk

3. Hours of Operations

Phase I - Guests

The Hospitality House is open 24 hours, 365 days per year. Phase I guests may reside in the facility for up to 14 consecutive nights, between 4pm and 7am and may come back to the facility 30 days after exit. These hours of operation are in effect seven days per week, every week regardless of holidays or weather, during operation of the temporary shelter. The Entrance Gate to the Santa Ana Temple property from Edinger Ave. will be unlocked at 5 AM for early shuttle and locked at 10 PM daily. If a church activity is not finished by 10 PM, staff will lock gate immediately upon closure of the activity.

The schedule for Phase I Guests is:

• 4:30am – Early Wake-up Call
• 5:00am – Early shuttle leaves for Civic Center
• 6:15am – Breakfast
• 6:30am – Guests may go to storage container with staff supervision
• 7:00am – Guests exit the facility by shuttle
• 7:00am-3:30pm – Guests may not loiter at facility or in immediate residential neighborhood
• 3:30pm – New guest registration at shuttle stop
• 4:00pm – Returning guest registration at shuttle stop
• 4:00pm – Intake, assessment, and showers
• 5:00pm – Latest time guests can sign onto shuttle for re-admission to shelter without an approved late call
• 5:15pm – Unclaimed beds given out to waiting guests at shuttle stop
(Spending the night away from the shelter is excusable only in an emergency situation and with prior approval of the Hospitality House Manager).

- 5:30pm – Dinner
- 6:00pm – Evening program and activities
- 7:00pm – Late shuttle arrives and Late Guest Intake Curfew
- 7:15pm – Evening snacks
- 7:30pm-9:00pm – Late calls & wake-ups arranged, clothing & laundry services requested
- 10:00pm – Lights out/quiet hours begin

**Phase II - Job and Housing Guests (HRP, WSP)**

- 6:15am – Breakfast
- 7:00am – Chores, Ready for Daily Goals
- 9:00am – Guests exit shelter monitored by staff
- 9:00am-3:00pm – Clients out of shelter, pursuing work and appointments
- 3:00pm – Guests may enter shelter, monitored by staff
- 3:00pm-5:15pm - Showers, chores, case manager appointments
- 5:15pm - Dinner
- 6:00pm - Evening programs, meetings, case manager appointments
- 7:00pm - Entry Curfew; requests made for Late Calls as needed
- 7:15pm - Evening Snacks
- 7:30pm - Free Time
- 11:00pm - Lights Out/Quiet Time
- Guests may stay in facility on days off of work and/or weekends

**Phase II - Job and Housing Guests (IEM)**

- Guests exit and enter the facility according to work schedule and shift, monitored by staff
- Guests sign out when exit facility and sign in when return
- Guests go through intake and sign in when re-enter facility
- Belongings are inspected upon return to shelter
- Guests provide staff with work schedule to communicate hours
- Guests may be in facility on days off and during hours not working
- Guests enter and exit shelter site by bus or own transportation
4. Case Management Services Policy

A qualified Case Manager interviews each Phase I guest on his first business night of stay and is assigned to that person for remainder of stay for support, resources, and referrals as desired. The guest and case manager formulate a service plan for the length of the guest’s stay. The case manager follows up with assigned guests weekly for assistance, resources and accountability to the plan.

Referral Policy

If any prospective guests waiting at the shuttle stop cannot be assigned a bed at the shelter, other resources are given as possible. If a housing source is available, a referral may be made. If another placement is not available, staff will refer persons to 211 OC or to the Orange County Coordinated Entry (CE). If a guest must be exited form the shelter for any reason, the case manager tries to assist with resources and referrals for appropriate housing or refers the guest to CE for future assistance.

Guest Termination Policy

Guests exit when completing the time limit of their stay, voluntarily leaving the program before the time limit, finding more appropriate housing before end of stay, needing a medical facility, or being exited for violations of rules and/or inappropriate behavior. Guests may be given a bus pass to get to civic center if he exits after shuttle hours. If no bus is running, Hospitality House may call other transportation (e.g. Taxi) to return guest to Civic Center. Guest will be escorted to bus or taxi by shelter staff. If a guest is exited due to procedure violations, the Guest Termination Policy is followed. The length of time before a guest can return to the facility is determined by the guidelines of this policy.

Computer Data Policies

1. Policy restricting computer access records to authorized staff

Only trained attendant staff, case management staff, and management staff persons are authorized to access the software program, Bridges, the information system for persons receiving residential services from TSA. Each staff has to be approved by their immediate supervisor to enter, change, or read data in either system. Each staff has a separate password for entry. Only staff has access to the programs and parts of the data base for which they need to enter or gather information. Staff is to only use computers that
are Salvation Army authorized and at the location for which they are assigned. No persons without a user name and password set up by The Salvation Army IT department has access to TSA computers.

2. Procedures to protect confidentiality of client records including HMIS

The Salvation Army does not use HMIS for its primary data base. The Salvation Army does use HMIS for reporting for Continuum of Care purposes. HMIS confidentiality policies are explained, signed, and followed. Disclosure of guest information to other social service agencies, whether on a referral to or from The Salvation Army, may be permitted only with the client’s written consent. Disclosure of records relating to clients may be released without client consent in certain circumstances as required by law.

Documentation of Case Management

All Hospitality House guests have a paper file and are entered into The Salvation Army Bridges data base system. All guests are documented for demographics, Veteran status, and services that assist The Salvation Army in reports for grants and donations. Those guests choosing to receive assessment and case management are documented for strengths, needs for resources and referrals, disabilities, recovery needs, and housing placement. Case Managers keep case notes in both hard copy and data base files to track progress, resources and referrals given, and support rendered. Outcomes are recorded at exit.

Confidentiality of documentation is kept between case manager, Homeless Services Coordinator, and members of team. Data based files require authorization and password to enter. The Salvation Army IT Department loads every computer with safety features. All documentation is with the consent of the guest.

5. Daytime Program Policies

Qualified Persons may go to the Santa Ana Family Service Office on church property for assistance during regular office hours. Guests will be referred to County multi-service centers or other providers for assistance needed during daytime hours. Meals and services at the Temporary Shelter will only be provided to registered shelter guests.

Phase I guests may also stay at the facility by permission of the Hospitality House Manager for special circumstances (e.g. guest is waiting on transportation for
housing; guest is ill). If a guest is permitted to stay at the shelter during the day, he must remain inside the shelter facility and follow all policies and procedures of a night time guest.

Phase II HRP and WSP guests are allowed to remain at the Hospitality House until 9:00am each week day and return at 3:00pm. On weekends and holidays Phase II guests may stay at facility during day time hours as needed. Guests must sign in and out for daytime entry. Guests will drive owned vehicle or walk to Edinger Avenue, monitored by HH attendant and use bus pass for transportation out of the immediate area. Guests may remain in Hospitality House due to illness during stay if the illness does not deter from his goals for his program. Phase II guests may get permission to be absent overnight for matters approved by HH Manager and Case Manager.

Phase II IEM program participants may stay at the facility when they are not working. They may exit the facility by notifying HH staff and signing out. They may enter facility by signing in. When an IEM guest leaves the shelter, he must give an expected time of re-entry and call the shelter if this time needs to be changed. Guests leave a work schedule with HH staff as verification if they need to enter facility after 7:00pm and before 7:00am.

D. Community Coordination and Communication

1. Communication & Coordination with Neighborhood

The Hospitality House staff is committed to communication with neighbors on an ongoing basis. As part of this commitment, prior to commencement of any services at the temporary shelter an information flyer will be distributed to the neighborhood associations and interested stakeholders (Attachment 6). The flyer(s) will include an introduction to the purpose of the Hospitality House, estimated date to begin and complete services, and phone number/ contact information for any question or concerns. Prior to temporary shelter opening, a 24 hour phone number (714) 542-9576 will also be posted on temporary shelter entrance, at Santa Ana Temple Office, at Family Service Office, and on entry gate into property.

In addition, it is suggested that TSA attend the monthly joint neighborhood meeting for updates to the neighborhood and interested stakeholders midway through temporary shelter operation and prior to closing.
Once the Temporary Shelter is occupied, the public can call the Hospitality House day or night, to speak with staff and/or leave a message at (714) 542-9576. All community complaints and/or inquiries arising out of the Hospitality House will be recorded and forwarded to the appropriate TSA Social Services staff for prompt investigation. The Hospitality House is fully committed to an appropriate customer service response and will consider the resolution of community complaints a high priority.

Visits by members of the community are available with approval of HH staff on Monday – Friday 8:30am - 3:00pm, and by appointment on weekends. Tours may be requested. Program brochures are available, highlighting various parts of The Salvation Army including corporate, organizational and volunteering opportunities. All community and media contacts will be made in concert with The Salvation Army Public Relations Department and TSA media guidelines, with an emphasis on how the Hospitality House helps guests progress to permanent housing, employment, and self-sufficiency. The Hospitality House will communicate with all guests entering the facility about the importance of following good neighbor principals.

Advisory Committee

A Good Neighbor Advisory Committee will be established and maintained to advise the Hospitality House Temporary Shelter in implementing this Operation and Management Plan, enhance community relations, and bring information of any strengths and concerns from the neighborhood or City about operation or program of Hospitality House. The operations, management, and program of the HH are governed by The Salvation Army; input by the Committee is considered advisory.

Participation will be limited to no more than 12 people and will include, if possible, include two representatives from Shadow Run Neighborhood Association, one from Mid City Neighborhood Association, and one representative from any of the neighborhoods near the temporary shelter site. In addition, the Advisory Committee is to include one City of Santa Ana Neighborhood Improvement staff person, one City of Santa Ana Planning staff person, one Santa Ana Police Department (SAPD) liaison officer to the HH Temporary Shelter, one Neighborhood business representative, one Santa Ana Unified School District representative, one Salvation Army Hospitality House representative, and one current or formerly homeless individual. An Alternate representative may be identified in the case that
the primary representative is unavailable to attend an Advisory Committee meeting. Additional City Department staff will be included for select Committee meetings when needed. The composition and selection of members for Advisory Committee will be a joint consensus decision by TSA and the City.

The Good Neighbor Advisory Committee will meet monthly during the operation of the temporary shelter at the Santa Ana Temple. TSA staff will compile the agenda based on input from the Advisory Committee, and City staff will assist in meeting notification by way of email distribution. All meetings may be held at The Hospitality House temporary facility or at other community buildings as decided by the Committee. Members of the Advisory Committee, The Salvation Army, and Hospitality House staff will have opportunity for communication or scheduling meetings between regular monthly meetings, when needed.

After five months of operation, the Advisory Committee will make an evaluation of the process and submit a report of the results to the City Planning Manager, including any recommendations for revision to The Plan. The Salvation Army Social Services will submit a report showing service levels achieved and outcomes after the first five months of operation and at the closing of the temporary shelter. This report will be shared with the Advisory Committee and submitted to the Santa Ana Planning Manager.

Hospitality House staff will:
- Address safety, health, and security issues with stakeholders as needed
- Immediately call the SAPD in the case of an emergency or witnessed criminal activity
- Involve Santa Ana PD when necessary for expulsion of a guest from HH premises after guest has been asked to leave and has refused, or if the guest refuses to voluntarily leave the premises.
- Exit guests who are consistently non-compliant with house rules
- Call 911 for immediate assistance needed at site

Policies for Community Involvement/Relationship

The Salvation Army and HH staff is active in Santa Ana and Orange County sponsored community events. To the extent reasonable and feasible for The Salvation Army to perform, TSA representatives will attend meetings of the Neighborhood Association when invited, and communicate with Neighborhood
participants. The Salvation Army and Hospitality House may sponsor special events which will include the community and the neighborhood on various occasions. As appropriate, temporary outdoor activities will require the application and approval of a City Land Use Certificate as described in Santa Ana Municipal Code (S.A.M.C) Section 41-195.5.

All facilities and grounds of the Santa Ana Temple will be open to the public for church activities and for scheduling of neighborhood functions on church property as approved by Head Officer of Santa Ana Temple. Approved use of the facility and grounds will be scheduled around the Temporary Shelter hours of operation, so that the potential of conflict is minimized.

General operational standards shall apply to the property that support good neighbor relationships; such as maintaining safe, sanitary and attractive conditions on the site. In addition; all business shall be conducted and located within the enclosed building area; and any activity permitted shall be conducted in such a manner as not to have a detrimental effect on permitted adjacent uses by reason of refuse matter, noise, light or vibration (SAMC 41-2008).

A Courtesy Patrol has been established of HH staff and volunteers. This group walks weekly (usually Saturday) through the neighborhoods to the immediate front, side, and rear of the temporary shelter site to collect litter, promote cleanliness, engage with neighbors, and enhance safety and cleanliness of the immediate vicinity; including the vacant lot on TSA site. A log will be kept of the weekly patrols. Conditions that need attention will be recorded and reported to appropriate City agencies or to MySantaAna smart phone app.

The Salvation Army has an outreach team of staff and volunteers to minister to homeless persons living unsheltered in Orange County. This ministry, OC614, will be available to meet anyone found homeless in the neighborhood for relationship and assistance.

**Documentation of Good Neighborhood Policies**

A digital and printed copy of the Community and Coordination Section of The Plan, describing key good neighborhood policies, will be filed at The Temporary Hospitality House Intake Area and HH Administrative Office. Members of the community may have access to this section with prior notice to the HH Manager or Homeless Services Coordinator. Copies of the entire Management and Operation
Plan may also be obtained through the City of Santa Ana Planning Division by phone (714) 647-5804 or the website http://www.santa-ana.org/pba/planning/SalvationArmyHospitalityHouse.asp The HH Manager will provide an overview of the good neighbor policies within the MOP during employee and volunteer orientations.

2. Coordination with City, County, and Service Providers

The Salvation Army works in collaboration with numerous other service providers, community, and government organizations to serve the needs of the homeless population in Orange County. Special collaborations are in place for referrals from Veterans, Re-Entry, Mental Health and Emancipated Youth programs who are helping men establish stable housing. Current Collaborations are outlined in Attachment 7.

E. Operation and Management of Facility and Grounds

1. Safety Policies

Agency Maintenance Plan – Facility and Grounds

The Hospitality House keeps a schedule for regular maintenance – cleaning of refrigerator, stove, freezer, rotation of food, and cleaning of laundry room; as well as, changing of filters, smoke detectors, and lights. Attendants and cooks on each shift rotate regular maintenance duties and inspections for minor repairs and replacements. Maintenance and cleaning forms are used to track completion of each task and reviewed monthly. The HH Manager is responsible for staff training and performance in these duties.

The outside grounds are incorporated into the maintenance schedule and rotation including cleaning of parking lot, watering of plants, maintenance and cleaning of sidewalks and patio areas, and checking of outside lights and furnishings. Graffiti is reported to SA Graffiti hotline and/or TSA Property Director within 24 hours for removal.

Need for repairs are reported promptly by staff to HH Manager. Minor repairs may be completed by staff as trained. Major repairs are reported to the Property Director of TSA – OC. The Property maintenance crew will come to inspect and repair any needs. Difficult repairs are sent out to TSA-OC approved list of vendors for bids, approval, and completion.
The Salvation Army is committed to maintaining a pest free environment throughout the premises. No food is allowed in living areas of facility. Trash bags are emptied daily in all areas. Inspection of guest rooms and lockers are conducted for any items that would attract pests. All staff has received appropriate training for the identification of common pests as well as prevention and control measures. A Pest Control company is contracted by TSA - OC and comes monthly to spray for bugs, check for infestation of pests, and perform other pest prevention or extermination treatments that is seen on their visits or reported by staff.

Fire & Earthquake Safety:

Evacuation Plan for Ambulatory and Non-Ambulatory Residents

The Hospitality House staff is trained in protecting the safety of everyone in the facility. HH staff will respond quickly and safely when an emergency, incident, or natural disaster occurs. Evacuation Routes and Exits are posted in each major area of facility. An evacuation point outside is designated. In case of the need for evacuation, the Lead Attendant present during the emergency will notify all staff and guests to evacuate, call 911, and direct evacuation plan. Staff is assigned to oversee the evacuation of guests in each work area. Staff checks guest areas, assigns assistance to non-ambulatory and disabled persons, and leads guests to safety through the nearest safe evacuation exit. Staff then assembles guests outside at designated evacuation point, reads bed list for attendance and searches for any missing guests as safety conditions allow.

In case of fire these additional protocols are completed:

- The Lead attendant pulls the nearest fire alarm if it is not already sounding; the Fire Department monitors the alarm and will respond immediately.
- While evacuating guests, staff attempts to close all door(s), if safe to do so
- Before exiting a room, the lead staff will touch back of hand to the door to determine if the door is cool, then open it a crack, smell for smoke, and if deemed safe, open the door and leave the building to the evacuation meeting point.
- If the door is hot, it is not opened and staff leads guests to leave via the nearest safe exit.
- Staff will locate and use appropriate fire extinguishers if safe to do so
When the Fire Department arrives, a staff person will speak to the officer in charge and give the officer a set of staff keys.

Staff will contact the HH Manager or his/her delegate as soon as possible, if not on site.

Staff will report incident and procedure in Incident Report and staff shift notes as directed in TSA policies.

If the weather is inclement and if the evacuation will not be short, staff will:

- Contact The Salvation Army OC Coordinator to locate TSA locations and disaster team if assistance is needed for guest shelter, meals or services.
- Contact other Homeless Providers for services as needed.

For a false alarm or other short term evacuation, staff will direct occupants back into the building once the Fire Department has authorized an “all clear.”

**Fire Prevention Procedures**

The temporary shelter will be approved by the SAFD for all fire codes, sprinklers, alarms, and exits prior to temporary occupancy. Emergency lighting will be installed both inside the facility and outside on the grounds for safety and in compliance with all codes.

No smoking is allowed inside or outside the building within 20 feet of doors. A smoking section will be designated and sign posted in the enclosed patio area, only.

**Fire Drills and Documentation**

Fire drills are conducted at least quarterly and reported on the designated form and in shift report. Documentation of fire drills is kept for three years in HH Manager files.

**Fire Inspections and Extinguishers**

The most recent annual fire inspection is posted in the kitchen area of the Santa Ana Temple facility. Fire extinguishers are hung in each area of the building as shown in facility plans and in evacuation plan. Fire extinguishers are inspected and maintained per city and county requirements. A certificate of the last most recent OC fire inspection is posted in the kitchen area.
Earthquake Safety

Earthquake drills are conducted quarterly by staff. Drills are documented on designated forms. The evacuation route and procedures are the same as for other hazards. A guest tally and search is conducted once evacuation is conducted.

In case of an actual earthquake that causes damage to facility or grounds, the OC Property Department will be called to inspect the facility as soon as safety permits. Guests will be evacuated from building and transported to other shelter as needed. The Salvation Army disaster team will be called and respond to set up shelter and food as part of the normal disaster procedures.

2. Security Plan

The Hospitality House follows policies and procedures that promote utmost safety for guests, staff, volunteers, and community in a multi-faceted plan. We strive to provide an atmosphere that promotes community, stays alert for signs of conflict, and confronts behaviors before they escalate. All HH employees receive training in communication techniques that de-escalate confrontations.

Entrance and Exit Procedures

All staff and guests will enter and exit through one main entry at the front door of the youth center of building. This entry will be the center of staff operations for the shelter. It will be equipped with security cameras for inside and outside the facility, safety alarms, and a portable communication device worn by staff for control of entrance and activity inside the building. All areas of the building will be locked when not in use. The building will be zoned so that guests will only have access to the areas for which they need.

All guests will present identification upon entry, sign in upon entrance, and sign out upon exit from the building. The doors and windows will be locked at all times when not in use. Guests will enter Santa Ana Temple property through one gate on Edinger Ave. and follow driveway immediately back to the youth center facility. All Phase I guests will enter the property by shuttle or owned vehicle. Other guests will enter at designated times and be escorted from gate to temporary shelter as needed. Front gate to church property will be open during daytime hours. The TSA drivers and staff will have access to entrance through the gate at all hours.
Security lighting will be used both inside and outside the facility to highlight entrances and parking lot. A staff person will escort any persons to parking lot or security gate after sunset. Security Gate at the Edinger Avenue entrance of church property will be closed and locked between 10 PM and 5 AM daily (unless a church activity is in session and then will be locked immediately after end of the activity). Hospitality House staff will have access to lock and unlock gate as needed after church hours.

A HH staff will monitor security through cameras at intake desk and administrative office areas at all times. During occupancy times, a staff will conduct security rounds of the facility every 15 to 30 minutes, be accessible and visible to guests, and survey facility for any potential concerns. Staff will have communication with each other via portable electronic equipment. Staff will be consistently present in enclosed patio area when guests are gathered there. A security camera is posted at the northern end of this area for additional surveillance.

Staffing will be assigned shift hours with security as a priority. With input from monthly Neighborhood Advisory Committee, the staff/guest ratio will be increased during evening and night time hours as needed to provide utmost safety for guests and neighborhood. A security guard may be added to staffing during nighttime hours, if deemed necessary by TSA and City.

Guests are not allowed to loiter on the temporary shelter property or in the surrounding neighborhood. Violations of this rule may cause a guest to be exited from the facility and/or extend the time between when a guest may return for services.

Policy regarding storage of guest possessions

The Hospitality House will have enclosed areas for storing any guest property he may need during his stay. A Hospitality House guest may store personal property in his assigned bin, to its maximum capacity. A guest storage form will be signed at each visit to the storage area. The storage area may be accessed each evening at intake and each morning at exit, with staff supervision.

Guests’ property stored in the provided spaces may not be taken into living areas of the facility without permission from HH staff. Only laundered clothes, approved personal property, and hygiene items may be kept on the guest’s assigned cot in living area of gymnasium.
Personal items such as money, important documents, small electronic equipment, and cell phones are kept in locked drawers at intake desk and may be used in facility as needed with staff approval. A guest who qualifies and requests his personal effects to be stored in our locked cabinet must sign the “Hospitality House Storage Locker Agreement” form which states that HH staff is not responsible for any items that are lost, stolen, or damaged.

All items are stored for the length of the guest’s stay at HH. Right to store items may be revoked based on violation of rules and/or the HHs management’s discretion. Once a guest has exited the Hospitality House, any personal effects may be stored for up to 3 days; after which, the property is donated or disposed of. An attempt will be made to provide pick up of belongings at shuttle stop in Civic Center area for those three days. Property must be picked up at TSA shuttle stop in Civic Center at scheduled times. In the event the guest cannot come to retrieve his own property, he may name a proxy of his choosing to pick up his effects by filling out an Authorization for Release of Personal Property form. The guest is responsible for asking his designated contact person to retrieve property, if needed. The proxy will pick up belongings at designated time at Civic Center shuttle stop or by appointment at the HH temporary shelter.

No contraband items may be stored at the Hospitality House. Contraband items include but are not limited to: weapons, explosives, flammable or volatile substances, illegal drugs, controlled substances or drug paraphernalia, bio-hazardous items or environmentally harmful goods, food and perishable items, and wet or dirty clothing.

Policy pertaining to authorized/unauthorized search of guests’ property by staff

The Hospitality House staff has the right to inspect all storage areas to ensure compliance with HH contraband polices. When inspecting a guest’s possessions without him present, two staff persons will be responsible for the search. An Authorization Form is signed by the guest at time of entrance into facility when he places items into the storage area. When items are found in the guest’s possession that are not suitable for storage at the HH, guests can choose to have staff dispose of the item or guest may store property off of facility premises at his regular storage area. Guests may not leave facility to store items and re-enter the facility, but must forfeit the remainder of nights and exit premises until his next eligible night for re-entry. Staff has the right to designate a period of time when a
guest is ineligible for re-entry to facility, if contraband is found. Length of ineligible time is documented according to pre-determined policy.

Policy on Possession of Weapons On-Site

The Hospitality House rules state that no weapons or objects which can be used as weapons can be brought into the facility. Definition of “weapon” is outlined in the HH Policy and Procedure Manual. All of a guest’s belongings that he is carrying on-site are searched upon entry and inspected for weapons and items that could be used as such. Anyone found with a weapon or dangerous material that can be used as a weapon will be asked to immediately leave the premises and neighborhood of the facility. Sharp objects such as tools or scissors are stored in locked storage areas and not taken into facility living areas.

All kitchen knives and sharp objects, hazardous materials, and cleaning equipment that could be used as a weapon are kept in locked areas with only staff accessibility.

Policy on Reasons and Length of Time People are Exited

The Hospitality House believes in redemption and second chances. However in order to maintain a safe, empowering and effective facility, we follow a policy of set consequences violating any of the House Rules. All consequences specified are for first violations. Second or more violations will be more severe, including up to permanent exit from the temporary Hospitality House.

Guests who use our facility, programs, and services in violation of a specific rule will be obliged to adhere to those consequences. The consequences may also be subject to intervention by law enforcement, and if necessary, prosecution up to the limit of the law.

The Hospitality House maintains a zero tolerance policy towards violence, sex misconduct, other criminal activity, and drugs and medications used or possessed beyond the scope permitted in HH Policy and Procedures. These behaviors, when substantiated, will be cause for immediate expulsion from the facility.

A full list of House Rules violations and consequences is available in the HH Policy and Procedure Manual at the Intake Desk of the facility.
Procedure on Contacting Police

The Hospitality House has policies and procedures in place on how and when to contact police for conflict resolution, trespassing, theft, unruly behaviors, loitering around property, mental health evaluation, and emergencies. A 911 protocol is established and followed. All staff are trained in these procedures. 911 will be called for any medical emergencies, violent behaviors that endanger others, and suicidal ideation. Refusal to leave the premises for illegal activity on-site (including trespassing after guest is exited) will result in the SAPD being called to escort guest off property. The SAPD Heart Team is contacted for other needs of guests, appropriate to team’s scope of services.

3. Health Policies

Housekeeping Policy

The Hospitality House understands the importance of maintaining hygienic, sanitary environments for the well-being of guests, volunteers and staff. The Hospitality House maintains written, standardized housekeeping procedures. Each procedure is designed for safety of staff and guests and for a consistent, high standard of housekeeping. Staff is provided with TSA training in these procedures, are monitored in performance of the procedures, and evaluated in their effective use of them. Training includes education on any hazardous materials with which staff may come into contact when carrying out their assigned work tasks. The complete list of procedures is included in the HH Policy and Procedures Manual, available to all employees in hard copy and computer document form.

The HH Manager and/or designated lead staff member are responsible for ensuring household tasks are assigned and completed. Particular attention is paid to the primary sources of household biohazards: kitchens and bathrooms. The Hospitality House will take steps to prevent the spread of infection in bathrooms, bedding, and food.

All living areas of facility are washed with institution strength anti-bacterial products daily. Bathrooms and showers are given priority attention. The kitchen and dining area are cleaned according to health standards after each meal. Special duties are assigned on a weekly and monthly schedule. Public meeting rooms are cleaned after each use and weekly. Offices are cleaned twice per week.
To prevent cross-contamination, guests are required to store personal toiletries in plastic sealable bags on their beds when not in use. Guests are assigned a set of linens at intake for their use while in the shelter. The guest is responsible for making and maintaining their bed each morning. Staff washes bed linens weekly in hot water with bleach. Towels are laundered daily. Phase II guests are responsible for cleaning their area, making their beds, and washing their personal laundry. A separate laundry area at the left front area off intake desk is available Phase II guest use. A schedule is maintained according to guest’s work schedule.

All staff will practice universal precautions in handling of laundry, cleaning of facility, and general self – health care. Specifically:

- Staff will wear appropriate protective garments (i.e. gloves) while completing tasks
- Staff will use recommended disinfecting cleaning products for each area of facility
- Staff will practice required hand-washing procedures
- Kitchen staff will be trained in and practice required food-handling procedures
- All guest clothes will be washed upon initial intake and weekly thereafter
- All laundry will be handled according to safety and washing procedures
- Staff and volunteers will follow TSA guidelines for working when they are sick/contagious

Volunteers who assist with cleaning in the facility, including Phase II guests responsible for certain chores, are trained in these cleaning and safety procedures and supervised by staff in their duties.

The outside grounds are included in the housekeeping standards and schedule. The facility courtyard, patio, parking lot, and green areas are cleaned daily from debris and litter. Chairs and tables are washed according to inside standards. Staff cleans parking lot and patio area thoroughly each week. Cleaning of exterior walls of building and windows is scheduled and performed by the Property Department of TSA, OC or its approved vendors.

Possession and Use of Controlled Substances

The Salvation Army has a strict policy prohibiting the possession or use of alcohol or controlled substances on Army premises by employees, residents, clients, and general public.
It is the intent of the Army to promote a safe, healthy and productive environment for everyone. The Army recognizes that the illegal and/or excessive use of drugs and alcohol, or the inappropriate use of prescribed drugs is not conducive to a safe living environment. It is the objective of the Army to have an environment that is free from the influence of controlled substances (illegal drugs) and alcohol at all times on Army premises. The unlawful purchase, possession, transfer, manufacturing, distribution, dispensation or use of any illegal drug is inconsistent with the Army’s objective of operating in a safe and efficient manner, is strictly prohibited and is contrary to the Army's mission. No one shall use controlled substances or alcoholic beverages on Hospitality House premises.

Policy for Drug Testing

The Hospitality House does not test guests for drugs or alcohol before intake into Phase I area of the facility. However, staff has the right to refuse entrance to any guest who is noticeably under the influence, exhibiting behavior that is inappropriate due to influence, or otherwise cannot follow the rules and expected behaviors of a guest while residing at the Hospitality House. If alcohol, illegal substances, or paraphernalia are found in guest’s possession while he is at the Hospitality House, that guest will be asked to exit the facility and neighborhood immediately and will not gain entrance until his next eligible intake date. The illegal drug or alcohol will be disposed of and documented by two HH staff following written protocol in HH Policy Manual.

All Phase II clients are tested before admission into the program, sign an agreement for voluntary random drug testing and searches of living area, and a tested regularly throughout the program. Any Phase II client found to be under the influence or in possession of controlled substances will be asked to exit the program and facility.

Security, Use and Access of Prescription Medications

If a guest has medications that must be administered throughout the evening/night or will be damaged by extreme heat or cold, he may store them in a locked cabinet at designated storage area in entry area. If a medication needs to be refrigerated, the medication will be packaged and labeled with person’s name, bed number, and name of medication and placed inside the designated locked refrigerator in small locked kitchen in the Temporary Shelter.
A guest who qualifies and requests his medications to be stored in a locked area must sign the “Hospitality House Shelter Storage Locker Agreement” form and will have access to the medications as soon as possible by his request to the Attendant on duty. The guest is responsible for requesting and taking his own medications within limits of how they are prescribed. Only the person whose name is on the medications may retrieve them.

**Guest Use of Over-The-Counter Medications**

Use and storage of over-the-counter medications follow the same policy and procedures of prescription medications.

**Guest Access to Emergency and Medical Care**

Guests may have access to medical care at any time. Guest should communicate to attendant on duty his need for medical care, if possible. If a guest requires first aid items, he may access them from the attendant at the intake desk. An attendant may assist guest in first aid care with guest’s permission, as he/she is trained, and using universal precautions.

In case of a seizure, HH attendants are trained in appropriate safety precautions and will call 911 if seizure persists or causes bodily harm. If a guest needs emergency or serious medical care, the Hospitality House staff on duty will call 911 and follow 911 procedures. In case of an injury, attendants do not move the guest. They will contact other Hospitality House staff, call 911, and if appropriate, check breathing and pulse and begin CPR if needed. One attendant or trained volunteer attempts to keep the guest comfortable and keeps other guests away from immediate scene, while another attendant waits for medical personnel, gives medical personnel information about guest, and directs them to guest. HH Manager is called as soon as possible. After client emergency or incident has been controlled, the lead attendant will complete an “Accident & Injury” report form (which is sent to TSA – OC Human Resources the following day).

A guest may also receive a bus pass to travel to routine medical appointments for which he has verification. Bus passes are approved and given by case management staff according to protocol.
First Aid Equipment, Supplies and Procedures

The Hospitality House has a first aid supplies kit available at all times and is located at entry desk, in staff supply closet, and in office areas. The first aid kit is inspected monthly, updated as items expire, and re-stocked after each use. Attendants are trained annually in universal precautions, first aid care, seizure, CPR, Mental Health crisis awareness and hold a current certificate in CPR. Any incident occurring at the Hospitality House requiring first aid is documented in the shift report and an Incident Report is prepared and sent to HR the following day.

Policies & Procedures for Disease Prevention

The Hospitality House has protocols for prevention and treatment of certain diseases and conditions such as seizures, diabetic episodes, mental health episodes, lice, bed bugs, influenza, and other communicable and contagious diseases. Universal precautions are maintained at all times in handling of fluids, client clothing, laundry, and in all cleaning of premises.

When an accident or injury to an employee or client occurs or when there has been damage to Salvation Army property, there is a set protocol which includes:

- Immediately contacting Supervisor about the situation
- Dealing with any injuries
- Securing the accident scene by obtaining names, addresses, and phone numbers of witnesses if possible, taking photos if possible, and noting any unusual circumstances
- Recording all necessary information to complete a formal report
- Not accepting any responsibility on behalf of The Salvation Army
- Reporting all accidents or injuries within 24 hours to Salvation Army insurance carrier

The Hospitality House procedures for cleaning help prevent disease spread. If a guest shows symptoms of a contagious disease that might threaten another person, the guest is sent to a doctor, urgent care, clinic, or emergency room for diagnosis and treatment. A bus pass is given for non-emergency transportation. If a guest is hospitalized, the hospital or guest may call the facility and his bed will be reserved for him for three days. The Hospitality House will only store possessions up to three days without communication from the hospital or guest. If a guest leaves the HH due to disease, the bedding and guest’s clothes are washed, bed cleaned, and bedding replaced on bed. Clothes are stored in designated area.
Universal precautions are used for all handling of guest possessions. Staff follows hand washing techniques recommended by OC Health Department.

All staff is tested for TB as required by OSHA standards and written in HH Policy and Procedures. If a guest shows symptoms of tuberculosis, the guest is sent for medical diagnosis and asked to receive a TB test. Hospitality House guests are not tested and screened for the presence of tuberculosis. Refusal of test or positive results will result in the person needing to leave the premises for more appropriate housing. Case Management will assist in this process.

4. Food Policies

Provision of Nutritional Needs of Guests

The Hospitality House provides a breakfast and hot dinner to each client every day. A menu is planned to serve meals that are nutritious and balanced. The cooks at the HH are trained in diet and food preparation. Meals serve a balance of protein, vegetable, fruit, grains, and dairy products. Most food for meals is obtained through donations. Food is supplemented with fresh food and vegetables from food bank and grocery purchases as necessary. Food preparation for breakfast and dinner will take place in the kitchen of the Santa Ana Temple in compliance with all SA Temple rules and schedules for use of the kitchen. HH staff will correlate preparation and menus with kitchen staff of SA Temple. Prepared food will be brought to Youth Center building on food carts. Chairs and tables will be set up for meals in the lounge/dining area of the Youth Center at the scheduled meal times.

A guest that states he is on a special diet for medical purposes is provided food items on that diet if possible. However, special meals are not prepared for each guest.

Food will be served at designated times of operation for registered shelter guests, volunteers, and staff only.

Meeting the Health Department Standards

The Hospitality House meets all OC Health Department standards. Inspections are completed by the Health Department and any changes are made if indicated. The certificates for Health Department inspection results are posted in the Kitchen area of the facility.
Provisions for the Sanitary Storage and Preparation of Food

The temporary shelter will have adequate space for storage of dry foods, refrigerated foods, frozen foods, and supplies. There is a separate refrigerator/freezer space for guest foods and medications. The HH will provide extra refrigeration and freezer appliances as needed to supplement safe storage of food without crowding the Santa Ana Temple kitchen space. Current certificates of food handling safety are posted in the kitchen area and in the employee file for each cook. Cooks and volunteers assisting them follow the procedures of the OC Health Department as taught in the Safe Serve food handling classes. All volunteers are supervised by a cook employee. Other employees are only allowed in kitchen area under supervision of cook.

All storage areas are cleaned on a planned schedule and outdated food is disposed of. There is a rotation schedule for storage and use of food in freezer, refrigerator, and dry good pantry that maximizes use of food so that it does not become outdated. Food that cannot be used by Hospitality House is given to TSA Family Services pantries, clients of other TSA programs, and other agencies to distribute food before it is outdated.

5. Transportation Policies

The policies for travel to and from the temporary emergency shelter are designed to support guest needs and minimize potential impact on the adjacent residential neighborhood and businesses.

The following transportation measures will be implemented:

- Shuttles will transport all Phase I guests to property from Civic Center shuttle stop at designated intake and exit times
- All persons riding on shuttles will be HH staff or guests screened and accepted for admission to temporary shelter
- Monthly bus passes will be issued to all Phase II guests
- Phase II guests will enter and exit property to nearest bus stop or ride a bike to employment outside of neighborhood area

Pedestrian Traffic

Pedestrian traffic will be minimal at the temporary shelter location due to the required use of Shuttle for Phase I Guest to gain access to the shelter. Phase II
guests can access east and west bound Bus service within a short walk east on Edinger Avenue to the intersection of Pacific Avenue (Attachment 8).

**Shuttle Van Service**

All entering and exiting Phase I guests will enter/exit property by shuttle to and from the Civic Center area. The daily shuttle service will be provided to transport all screened guests to the temporary shelter. Prospective new guests must be present at Civic Center Shuttle Stop at 3:30 PM for admission screening. Three 7-passenger vans (1 staff driver and 6 guests) will be used simultaneously, with the Shuttle Stop location to be determined by the City of Santa Ana.

The Shuttles will leave the Civic Center at 4:00 PM and at 5:00 PM daily, transporting new and returning guests. Guests may arrive at the Shuttle Stop 15 minutes before the Shuttle departure time. The Shuttles will transport guests directly to 1710 West Edinger Avenue every evening near the entrance of temporary shelter, as show on site plan (Attachment 3). One Shuttle van will return to the Civic Center Shuttle Stop at 7:00 PM for transportation to the temporary shelter if they have been approved for a late call by HH staff the previous evening.

Each morning, Phase I Guests will exit the temporary shelter at 5:00 AM or 7:00 AM and travel by a Shuttle van for the Civic Center shuttle stop.

**Bicycle Traffic and Parking**

A bicycle rack will be provided in a secured area in enclosed patio area next to entrance area of facility. Bike locks are encouraged. The cost for a lock may be requested to Case Management and provided as funds are available. Bikes are only allowed on site for Phase II guests who own them and need them to transport themselves to and from work and for staff who ride a bike to shelter for employment.

**Bus Transportation**

Only Phase II guests with monthly bus passes will utilize bus transportation to and from temporary shelter. Phase II guests may enter/exit only through Edinger Avenue gate at designated times and monitored by HH staff. Phase II guests will walk to nearest bus stop at Pacific Avenue, drive owned vehicle, or proceed by bike to work or for interviews. All Phase II guests will let HH staff know
entrance/exit schedule and be monitored to and from Edinger entrance of property. Guests will notify HH staff of bus schedule and be monitored by staff to bus stop as needed. If a guest is disabled, he can apply for OCTA Access Bus that will pick him up on-site at temporary shelter entrance by reservation. An HH case manager can assist him in this process.

Vehicles Transportation and Parking

HH parking lot spaces are for HH guest and staff vehicles. Volunteers, vendors, and community visitors may also park their vehicles in HH Temporary Shelter lot while at the facility. Guests who own vehicles, with registration and permission, can arrive/exit property in that vehicle at designated times. Guest vehicles must be parked in lot closest to temporary shelter entrance as shown on Site Plan. Guests can park their car in lot only when they are present in the facility. Vehicles eligible to park in HH lot are listed on the Vehicle Parking Form by license plate and client name. Vehicles in lot overnight must be registered on this log each night when guest enters facility. HH attendants include parking lot and vehicles in their nightly security rounds.

Guests who have vehicles parked in lot due to non-operation, with permission of HH Manager, will be allowed to keep vehicle in lot for a limited time (no more than 72 hours) while other arrangements are made. If the vehicle is not moved by designated time limit, the Hospitality House has the right to have the car towed and impounded. Hospitality House staff also has the right to call SAPD for a tow of any vehicle abandoned on HH lot or on surrounding property.

Guests are not allowed to have any person or pet stay in their vehicles while they are residents at the Hospitality House. Registered and trained service animals may stay with the guest for whom it is approved. Violation of this policy will be grounds for being exited from program.

Transportation Flow On and Off Property

Bikes and pedestrians will leave facility through Edinger Avenue gate and will proceed to nearest bus stop, out of immediate neighborhood. Pedestrian traffic on and off of the property will be by Phase II guests or HH employees, to the nearest bus stop at designated times and monitored by HH staff. All vehicles used by employees, guests, volunteers, or Civic Center Shuttle will also use the front driveway at the main gate to access the property.
Staff Transportation of Guests

Shuttle service for entrance to and exit from temporary shelter will be provided by HH staff who have passed the Decision Driving test and any other driving regulations for the shuttle vehicles. HH staff may transport a guest a short distance for other housing or in special circumstances. Permission must come from HH Manager under transportation protocols. Any transportation is provided in a TSA fleet vehicle driven by an HH staff with valid California Department of Motor Vehicles (DMV) license and certificate of TSA training in Decision Driving. The Decision Driving certificate is updated annually.

6. Financial Policies

Financial Requests from Guests

The Hospitality House follows strict accountability policies set by The Salvation Army, processed by the Southern California (S. CA) Divisional Financial Council, and directed by the S. CA Divisional Finance and Business Director. Hospitality House does not have access to any funds at its location. Requests for funds for repairs, supplies, and guest services are made through the Finance and Business Director’s office for The Salvation Army, Orange County. A strict protocol must be followed.

When guests receive a financial assistance service at the HH, it must be requested and received through the case management office. Guests must sign a designated log when they receive the requested item (bus pass, clothing voucher, TSA check for I.D, etc.). A log is kept for each kind of service and given to TSA –OC Finance Office before any other items or checks can be ordered. Bus passes and voucher books are kept in a locked safe in a locked closet in the locked case management office at all times when not in use.

Guest Possessions and Funds

No funds of Phase I or Phase II – guests are handled by the Hospitality House staff. Clients with funds that they keep while at the Hospitality House are responsible for their security and safety. It is encouraged by staff for guests not to have funds on site, and to store wallet, electronic devices, and any cash in appropriate locked storage as per the policies for storing guest property. The HH has a policy of not being responsible for lost or stolen items that is included in HH Policy manual, listed in signed HH Rules agreement, and read nightly when rules are reviewed.
before intake.

No occupancy fees will be collected from participants of the Phase II IEM program at the temporary HH. IEM participants will be asked to open a savings account and deposit a minimum of $200 per month for duration of the program. No funds will change hands with HH staff. Documentation of savings will be shown to case manager monthly to verify compliance with this policy.

**Annual Outside Audit**

An independent financial audit of The Salvation Army, Orange County Coordination is performed annually by Deloitte and Touch, LLP of Los Angeles. The most current audit is kept on file at the TSA - OC Administration Office and is available for review if needed.

A program audit for each TSA - OC program is also conducted annually by auditors from the S. CA. Divisional Headquarters. The results of this audit are recorded at the TSA - OC Administration Office. Violations of policy are discussed with each program and corrected immediately. The finances and program of the Hospitality House are included in both audits.

**Financial Reports Review**

Financial reports of TSA – OC are reviewed every other month by the Advisory Board and its Finance Committee. Hospitality House finance reports are also received each month from the DHQ Finance Chairperson. Each finance report is reviewed by the Hospitality House Manager, Homeless Services Coordinator, and the Director of Social Services.

The Administration Office of TSA-OC reviews financial statements and budget with each Department Head on a quarterly basis. Adjustments are made in spending as necessary.

**7. Legal Policies**

**Policy for Compliance with Local Laws**

The Salvation Army of Orange County complies with all local laws of the City and area within which they offer services. The Hospitality House (HH) complies with all local laws of the City of Santa Ana that pertain to the City of Santa Ana’s Emergency Shelter Ordinance (SB2) and zoning requirements. In addition, the HH
follows all OC Health Department and Fire Code requirements, and has staff trained for food handling, CPR, fire drills and other disaster evacuation procedures. The HH utilizes the SAPD for any breaking of laws by HH clientele while on its premises. HH will cooperate with SAPD on investigations for persons wanted for crimes as much as is possible while maintaining TSA policies on client confidentiality.

Policy for Compliance with Labor Laws

The Salvation Army and the Hospitality House comply with all required labor laws. OSHA training and review are done during staff meetings on a quarterly basis. OSHA flyers are posted in the HH Case Manager and Administrative offices.

TSA – OC wages is at or above minimum wage. Employee breaks, meals, and overtime are monitored legally and compensated as needed. TSA – OC is contracted with a company to examine any work injuries. The proper incident reports, Workmen’s Compensation forms, and requirements are completed.

8. Non-Discrimination Policies

The Salvation Army policy of non-discrimination is stated in the Salvation Army Mission Statement. “The Salvation Army Hospitality House does not discriminate in the provision of client care based on age, race, color, religion, sex, sexual orientation or gender identity and expression, marital status, geographic, national or ethnic origin, HIV status, disability, or veteran status.”

At the Hospitality House the target population served is men 18 years of age or older. Other populations are served in other areas of The Salvation Army Homeless Services.

Policy for Compliance with Americans with Disabilities Act

The Salvation Army complies with appropriate standards of The Americans with Disabilities Act (ADA). The temporary structure for the Hospitality House was built before the passing of the ADA so is not completely accessible to all persons with any disability of sight, hearing, or motor nature. All areas of the Youth Center can be accessed by wheelchair. There are no braille markings or alarms for the hearing impaired. Staff is trained about and will be cognizant of any physical disability upon entrance of the guest and will assist as needed to conquer any barriers from
the structure of the building. Staff receives training to work appropriately with persons with disabilities. All persons will be treated with dignity, value, and worth.

**Gender-Specific Programming Policy**

Persons in the Hospitality House are identified by the gender identification for which they choose. The HH will provide beds to persons of gender identity, expression and sexual orientation with due regard to privacy and client rights. Bathrooms and showers are constructed with equal privacy for all guests, regardless of sexual orientation, expression, or identity. All Phase I and Phase II programs and services are available with the dignity of all guests as highest priority.

**Sexual Harassment Policy**

All guests, volunteers, and employees should be able to co-exist at The Hospitality House in a trauma informed care environment, free from sexual harassment and inappropriate sexual behavior.

The Salvation Army has a zero tolerance policy for sexual harassment and inappropriate behavior of a sexual nature. No sexual harassment will be tolerated by anyone on the HH facility grounds - including by staff, volunteers, or guests. Guests, staff, and volunteers will be notified if in The Salvation Army’s sole discretion any of their remarks, advances, gestures, or attire constitutes sexual harassment toward any person in the Hospitality House facility.

Anyone who believes he or she has been the subject of any such behavior is urged to report it to the staff or supervisor immediately. A report will be completed and taken to appropriate staff or supervisor for resolution. Reported incidents will be investigated on a confidential basis. Provisions will be instituted to guard the safety and emotional health of persons who have been victims of a reported incident. After proper review, a person found to have engaged in sexual harassment or inappropriate behavior of a sexual nature will be subject to disciplinary action including possible immediate exit from program or termination from employment.

**Policy Regarding Sex Offenders**

The Salvation Army has strict requirements for the safety of children and vulnerable adults. The Protecting the Mission staff for TSA provides yearly training
to all TSA staff and volunteers in sex abuse definitions, sex offender policies, child abuse, and vulnerable adult abuse. All employees must review this training yearly and be certified to have passed its standards.

The Hospitality House follows federal law requirements in reporting sex offenders. While the HH is at the temporary shelter, all guests will be screened for sex offenses through the OC Sheriff’s Department Sex Offender Registry. Screening will be conducted at the Civic Center shuttle stop; no guests with a registered sex offense will be allowed on the shuttle or admitted as either Phase I or Phase II guests.

9. Confidentiality Policies
   Personal Confidentiality

People seek help from The Salvation Army program units when they have special needs which may range from fairly simple to painfully difficult. Their need for service and the help that can be given is determined through sharing factual and personal information. For this to be effective, they must be able to trust that the program unit will hold confidential the shared information.

The Hospitality House keeps strict confidentiality practices as written in The Salvation Army Confidentiality Policy. These practices include:

1) Fact of Participation: The fact that an individual is or has been a participant in a Salvation Army social service program should not be disclosed except as may be specifically defined. Inquiries by visit, telephone or letter regarding a participant in The Salvation Army residential program should be answered with the statement that information as to whether a particular person is or has been in residence cannot be divulged; that if in fact the individual is in residence, he will be advised of the inquiry, and that, at his discretion, he will or will not communicate with the inquirer.

2) Disclosure to Other Agencies: Disclosure of guest information to other social service agencies, whether on a referral to or from The Salvation Army, generally may be permitted only with the person’s written consent. Information is to be withheld where enjoined by law and where by contract The Salvation Army has agreed to maintain the confidentiality of guest records (as under the Privacy Act.)
Disclosure of information relating to program participants should not be made to employers, credit agencies, unions or other similar organizations, except at the request, and with the consent of the participant.

3) **Information to the Client:** In some situations it may be required by law to disclose to the participant information contained in his/her own case record. Information disclosed should be limited to that which is included in the formal case record. The formal case record should contain factual information, not counselor notes and observations. Information provided by other agencies should not be shared.

4) **Law Enforcement Personnel:** All requests for information regarding clients originating from law enforcement agents, should be referred to TSA’s Legal Department at subpoenas@usw.salvationarmy.org. Before any action is taken on any legal request, a local Salvation Army operations should contact its immediate administrative headquarters The Salvation Army sets boundaries for the sharing of information with law enforcement personnel according to its policies on client confidentiality (available in TSA Homeless Services Policy Manual) and applicable law.

Phase I guests are asked at assessment whether they would like to sign a Release of Information form that allows for HH staff to share his presence at the shelter with his probation officer Phase II guests are asked to sign a release of information form that gives HH personnel permission to let the guest’s probation officer meet with guest and inspect guest living quarters according to their documented probation requirements.

When an arrest warrant or a search warrant has been issued by a court after a showing of probable cause, if such a warrant is presented to a Salvation Army facility relating to a client in the residence, The Salvation Army facility will cooperate with the law enforcement agency in making the arrest or the search, preferably in a manner which will involve the least disruption of the program at the facility.

5) **Written Consent:** If there is any doubt as to whether client information should be disclosed, the consent of the client should be first obtained, except as otherwise required by law. The consent will be in writing on TSA Release of Information form and should identify the information to be disclosed, the
person or agency to whom it will be disclosed, and the purpose of the disclosure, and the period of time during which authorization is granted.

6) Abuse Reporting: The Salvation Army programs will comply with all state and municipal laws requiring reporting to governmental agencies of instances of child abuse, domestic violence and elder abuse. The Salvation Army reports any suspicion or evidence of child abuse or vulnerable adult abuse according to law’s requirements. All HH staff persons are mandatory reporters. A report is also made to the Protecting the Mission staff of The Salvation Army – So. CA. Division according to TSA policy.

7) Harm to Self or Others: If a guest in a TSA program shares with a staff person a viable threat to do harm to self or another, the terms of confidentiality can be revoked, as in the case of suicidal or homicidal admittance.

Data Base Confidentiality Policies

Only trained attendants, case managers, and management staff are authorized to access The Salvation Army information system software program, Bridges, for clients receiving residential services from TSA. Each staff has to be approved by their immediate supervisor to enter, change, or read data in this system. Each staff person has a separate password for entry. A staff person only has access to the programs and parts of the data base for which they need to enter or gather information. Staff is only to use computers that are Salvation Army authorized and at the location for which they are assigned. No persons without a user name and password set up by The Salvation Army IT department has access to TSA computers.

The Salvation Army does not use Homeless Management Information System (HMIS) for its primary data base. The Salvation Army does use HMIS for reporting for OC Continuum of Care purposes. HMIS confidentiality policies are followed and client is informed of any information that will be sent to HMIS.

Exceptions to the Confidentiality Policy:

All guests are informed that when the law requires TSA to disclose client-related information, such as to prevent danger to self or others, or to report child and elderly/vulnerable adult abuse, TSA will do so.
10. Grievance Policies

The Salvation Army has a grievance policy which is followed by The Hospitality House.

Receiving and Posting

The Grievance Procedure is clearly posted in the Hospitality House Policy and Procedure Manual and available at the Hospitality House Intake Desk. A guest is given a copy of the grievance procedure when: a conflict has occurred that cannot be resolved satisfactorily between the guest and a staff person or another guest, the guest expresses a concern about being discharged from the Hospitality House involuntarily, or the guest has a complaint about an event that occurred at the Hospitality House involving that guest. The Grievance Policy Form is read by guest and signed.

Meeting with Staff

Hospitality House guests are provided with a reasonable opportunity to express their concerns and/or complaints. Staff has a duty to listen, consider what is being said, and provide the guest with an appropriate response. When a guest has a disagreement with another guest or staff person and there appears to be no informal resolution between them, the following procedure must be observed:

- A meeting will be arranged with all the parties involved and member of management team
- At the arranged meeting, each party will have three (3) minutes to voice his/her concern
- The solution needed to resolve the problem will be made by the management team representative, in the sole discretion of The Salvation Army
- If either party is unhappy with that decision, the alternatives will be to notify the Director of Social Services or leave the program

If a guest expresses a concern or makes a complaint concerning their involuntary discharge, he can take the following steps:

- The guest may request to discuss the matter with the HH Manager, who will make a decision on any corrective action required within the boundaries of
his/her authority. When appropriate the Manager will notify the Director of Social Services of the client’s concerns and the action taken.

- If the guest is still unsatisfied with the outcome, he may submit a request for intervention to the Executive Director, who will acknowledge receipt within a reasonable time frame. The Executive Director will take any corrective action required within 10 days and inform the client, in writing, of the resolution.
- Guests have the right to ask assistance of another person to speak on their behalf, or to help fill out a grievance form.
- Guest grievances are reported in the HH monthly reports. The Executive Director or other Salvation Army entity may review all grievances quarterly and/or annually, providing a level of review that does not involve the guest about whom the complaint was made or the person who reached the decision.
- Grievances and resolutions are documented in Bridges and in guest file.

Through Residence Groups

Due to the short term of stay at the Hospitality House Phase I there is not a resident council or peer committee. However, a group of objective peers, not involved in the behaviors or violations being discussed, may be appointed to help in the communication and decision-making as deemed helpful. The HH Manager, if not involved in the dispute, would select the peer committee from current guests who volunteer to serve in that capacity. The Homeless Services Coordinator could also select the committee.

If appointed, the residence focus group will meet monthly to share positive and constructive feedback with each other and staff.

Through Whistle Blower Policy

Guests have several ways in which they may share a grievance – verbally or written, anonymous or through a third party. A suggestion and grievance box is available in the Men’s lounge and is checked weekly by Hospitality House staff. Confidentiality is strictly kept between the person making the complaint and The Salvation Army, which will withhold information internally to the extent prudent where a complaint involves a TSA staff or volunteer. The Grievance Procedure is clearly posted in the Hospitality House Policy and Procedure Manual and available at the Hospitality House Intake Desk.
SECTION III. PERSONNEL

A. Hospitality House Staff Policies

1. Hiring Policy

The Salvation Army is an equal opportunity employer and a copy of its applicable Equal Opportunity and Affirmative Action Policy may be obtained through the Southern California Division Human Resources department.

All staff positions and newly hired staff are approved by the S. CA. Division before hiring.

Screening Procedure

Applicants are screened at the local unit level by an in-person interview using a standard TSA interview questionnaire. Persons identified as references are contacted for the selected candidate.

Acceptance Procedure

The completed application packet and staff letter of recommendation are then sent to the Division Headquarters Chief Financial Council (DHQCFC) for approval. A criminal background check is conducted. The DHQCFC must approve the candidate and the candidate must pass the criminal background check to be accepted for employment.

Upon hire, the new employee completes an orientation program. The orientation includes The Salvation Army Mission, history, and personnel procedures. Each new hire completes a TSA Sexual Harassment Prevention class and a Protecting the Mission training on the prevention of abuse of children and vulnerable adults. The Hospitality House Manager and Homeless Services Coordinator then conduct a thorough orientation on all programs, policies, and procedures of the HH and job duties specific to the hired position.

The Salvation Army has a Social Services Code of Ethics that is the policy for all staff of The Salvation Army, OC Social Services Department. The document is in the Hospitality House Policy and Procedure Manual and is to be followed by all HH personnel.
Staffing Policies for Safe Humane Environment

The Hospitality House is staffed to provide a safe and humane environment for all guests 24 hours /day; 365 days/year. HH Staff are identifiable by TSA shirts and name tags.

All Hospitality House operations and staff are supervised by the full time Hospitality House Manager. The HH Manager is a salaried person with training and experience in facility management. He is responsible for the overall operation of the facility, management of staff, and scheduling of activities at the HH.

There is a total of 5 full time Attendants and 3 part time attendants for the HH. At least 2 and usually 3 attendants will be scheduled for each shift on all days. There will be one Attendant II and two Attendant I staff assigned for each shift. The Attendant II will act as lead for the shift under the direction of the HH Manager. There will also be a pool of Extra Employee Attendants to cover sick days, vacation time, holidays, and be on-call for other needs. Attendants are responsible for the cleaning, intake, security, and daily operations of the shelter under the direction of the HH Manager.

Besides the attendants, the HH is staffed by 1 full time and two part time Cooks. A cook will be on duty 4:00 AM – 8:00 PM to provide breakfast and dinner for all guests, clean and manage the kitchen, and assist with staff supervision of clients and volunteers during their shifts. A Homeless Services Driver (HSD) is employed to manage donations, pick-up from vendors, deliveries to programs, and communication with all food providers. The HSD will also drive the AM shuttle to the Civic Center.

The Homeless Services Coordinator (HSC) is a salaried position with a BS education and experience in case management. The HSC supervises all case management staff and student interns. The HSC is responsible for coordinating, planning, and supervising all case management, and programming for the HH. A Case Manager with a BSW degree (in progress) and 5 years of experience will perform case management for all Hospitality House guests, according to program expectations. Social Work interns at BSW or MSW programs perform assessments and offer resources, referrals, vouchers and other client requests between 3:00 pm and 7:00 pm on weekdays.
The **Director of Social Services (DSS)** is a salaried position with MSW degree and 5 years of experience in the field. The DSS oversees the program design, operation, and evaluation for all of The Hospitality House and supervises the HH Manager and Homeless Services Coordinator. All offices are on-site at the facility.

The **Director of OC614**, an outreach ministry for homeless persons, is operated from the Hospitality House. OC614 is a ministry of relationship with anyone who is homeless, to help connect them with God, others, TSA services, and needed resources. The OC614 Director will contact homeless persons noted in the area around the shelter for services. A chaplain is assigned to the HH from the Tustin Ranch Corps for Bible studies, worship opportunities, and pastoral care. The chaplain, Director of OC614, and the Director of Social Services are supervised by the Commander of The Salvation Army, Orange County Coordination.

**Volunteers** assist with intake procedure nightly between 4:00 pm and 7:00 pm, dinner preparations and clean-up, and other chosen duties. Volunteers are supervised by the staff whom they assist.

The Hospitality House Staff Job Descriptions are posted in the HH Policy and Procedure Manual and available at the HH Manager’s Office. The HH Staff Organization Chart is provided in *Attachment 9*.

### 2. Policies for Staff Training

All Hospitality House Staff is trained when hired and annually in emergency evacuation, first aid procedures, reporting of abuse and neglect, crisis intervention, and CPR procedures, and receives on-going in-service training in counseling skills and handling tensions in a non-violent manner. HH Staff is also trained in the Strength – Based Approach, Trauma Informed Care, and positive communication skills. Each staff has a training plan to complete annually, according to individual needs. Documentation of training is kept in employee file by HH Manager and is sent to OC-TSA Human Resources for filing, when appropriate.

**Emergency Procedures - Evacuation, First Aid, and CPR, 911 Reporting**

HH staff are trained in fire, earthquake, and chemical spill evacuation procedures when hired and annually. Evacuation drills are held and recorded quarterly. Evacuation protocols are recorded at the front desk for reference. Evacuation
maps are posted throughout the facility. All staff are trained in first aid and CPR procedures annually. 911 reporting is taught in orientation and reviewed annually. CPR certificates are kept in staff files. Universal precautions are followed.

**Safety Conduct - Prevention of Abuse, Crisis Intervention, Conflict Resolution**

The Salvation Army has a required training program in prevention of child abuse, vulnerable adult abuse, child abuse reporting, and sexual harassment titled “Protecting the Mission.” Each staff completes this training program annually. Certificates of completion are recorded in HR files.

HH staff complete a course in conflict resolution and crisis intervention upon hire and annually. Documentation of completion is recorded in staff file.

**Appropriate Behavior for Dignity and Respect**

Operations, Program, and Management staff are trained in the Strengths Based Perspective model of client care – where guest strengths and abilities are primary and priority for all communication, care, and case management. Staff is also trained in Trauma Informed Care, practiced for all guests due to the trauma they have experienced in life and by being homeless. These trainings are held annually for all Social Services staff. Notice of completion is recorded in staff file.

**Communication**

**Clients, Staff, Community**

HH staff undergoes classes in communication skills – such as handling phone calls, confidentiality policies, and using “I” messages. The communication skills are reinforced through practice and reviewed at weekly staff meetings as warranted. Courses covering topics such as communication skills with mentally ill persons, receptionist skills, communication with difficult people, and conflict resolution are completed.

**Resources and Referrals**

Operations and Program Staff are oriented to resources, homeless services, and organizations for collaboration and referral. Staff representatives attend the Homeless Provider Forum, Case Management Forum, and Implementation Committees for the 2020 Plan to End Homelessness in Orange County. Resource lists are updated monthly and kept at front desk, guest lounges, computer room, and case manager offices.
Protocols for offering and accepting referrals from other agencies are in place, reviewed by staff, updated, and kept in manual at Intake Desk for review.

**Mental Health and Addiction Skills**
All HH staff attends a mental health training events annually which include naming of symptoms, de-escalation techniques, and safety protocols are addressed. Guest speakers present workshops on various aspects of mental health diagnoses, symptoms, and care. Many of the HH guests struggle with addiction. Staff is trained in AA steps, drug testing, symptoms of drug abuse, and referrals for treatment. Recovery programs are encouraged and referrals are made as appropriate.

**Self - Care and Spiritual Support**
Weekly staff meetings are held for all staff. Part of the purpose of these meetings is communication and processing of stressors while working with difficult clientele. All meetings are opened with prayer. Staff is instructed in stress reduction techniques, boundaries, and the importance of self-care. Spiritual and recreation days are held annually for renewal of body, mind, and spirit. A chaplain is assigned to the Hospitality House for client and staff support.

**Policies for Program Staff Training**
Program staff attends the mandatory in-services for all TSA Social Services staff. Also offered is an annual Social Services Staff Education day sponsored by the S.CA Division Social Services Department, which is a day involving inter-agency events and seminars designed for management skills and social work practice, continued education through schools of social work, and pertinent special programs offered by collaborating partners. Each staff person is required to attend two SS. Education Days and two other educational events of their choice per year.

**Annual Staff Evaluation and Training Plan**
All staff is evaluated annually by their supervisor, using a TSA standardized document. Evaluation ratings are used to request a raise in salary. A Training Plan for each staff is included in the evaluation and followed-through by staff and supervisor quarterly.

**Documentation of Staff Training**
Staff is given certificates after completing each class or seminar required.
Documentation of staff training is recorded in each staff file by the supervisor of that staff. Training required by all Salvation Army Employees is also recorded in the Human Resources file for each staff person at the TSA-OC Administration building.

B. Hospitality House Volunteer Policies

1. Selection, Screening, and Background Checks
   - Volunteers for The Hospitality House complete an Application and Agreement with The Salvation Army, OC
   - Volunteers are screened by in-person interviews at local unit
   - References from volunteers are interviewed by phone
   - Volunteers are subject to a criminal background check
   - Volunteers are assigned to HH by choice of service

2. Orientation and Training
   - A Volunteer Packet is given and explained
   - Volunteers complete orientation for HH policies and procedures
   - Volunteers are given list of responsibilities and duties
   - Volunteers are trained at tasks by HH staff

Identifiable Lines of Authority
   - Identifiable Lines of Authority are included in the Volunteer Packet
   - Volunteer Packet is read, signed, and filed at HR office
   - HH Volunteers are identifiable by volunteer badges

Descriptions of Volunteer Tasks
   - Volunteers are given descriptions of tasks and duties which they are asked to perform
   - Volunteers answer questions and follow the written procedures of the Hospitality House
   - Volunteers defer to the staff persons on duty to give resources, referrals, and handle situations beyond their responsibility and volunteer agreement
   - Volunteers have access to the HH Manager, Homeless Services Coordinator, or Social Services Director for questions and grievances
Community Resources and Social Service Programs

- Volunteers receive orientation of resources and programs within the community
- Resource lists for common needs are posted in folders at Intake Desk and in Men’s Lounge by category
- The Homeless Service Case Manager and Homeless Services Coordinator are available to update resources for staff
- Volunteers have opportunities to attend community forums and events to receive more training about community resources and network with other community agencies.

3. TSA-OC Advisory Board Policies

Purpose

The Advisory Board of The Salvation Army, Orange County Coordination has the purpose of being a fundraising board as well as making advisory decisions regarding policy and programming.

Advisory Board Organization and Roster

The Orange County Coordination (OCC) Advisory Board is organized annually at its September meeting. Officers for the OCC Advisory Board are elected and board members sign an agreement for the year. New members are introduced and recognized annually. (Advisory Board Roster is Attachment 8).

Homeless Person Representation

Due to its purpose, The Advisory Board does not have a homeless or formerly homeless person on its roster. However a formerly homeless person does participate on the Program Sub-Committee of the Board.

The Advisory Board is divided into four Committees for discussion and presentation of action items to the Board. One of the Committees is the Program Committee which oversees all decisions and action items for the TSA – OC Social Services Department. Responsibilities of the committee include actions for program at the Hospitality House.

Hospitality House guests have representation through a monthly focus group led by a moderator. The focus group discusses strengths and needs for improvement
of current programs and suggests ideas for the future. Documentation of the meetings are read and kept by HH staff and presented to the Advisory Board Program Committee.

**Conflict of Interest Policy for Board and Staff:**

The Advisory Board has a written Conflict of Interest policy. The policy is included in the Advisory Board handbook, given to each member annually. Any possible conflict of interest must be discussed immediately with the Administration who will decide whether corrective action must be taken. When a conflict of interest occurs, the employee or Board Member will be given the opportunity to remove the conflict before termination or reassignment is considered.

MEMORANDUM OF UNDERSTANDING
(EMERGENCY SHELTER MANAGEMENT & OPERATIONS PLAN)
(1710 W. Edinger Avenue, Santa Ana, CA)

This Memorandum of Understanding is entered into on this ____ day of ____________, 2015 by The Salvation Army, a ____________________________, having a mailing address of P.O. Box 93002, Long Beach, CA 90809-3002 (hereinafter referred to as “Operator”) and the City of Santa Ana, a charter city and municipal corporation, having a mailing address of 20 Civic Center Plaza, P.O. Box 1988, Santa Ana, CA 92702 (hereinafter referred to as “City”).

1. Operator has filed with City an “Emergency Shelter Management and Operations Plan” (“MOP”), pertaining to a certain property located at 1710 West Edinger Avenue, Santa Ana, California, dated _____ day of ____________, 2015, as required by Santa Ana Municipal Code section 41-1201 (8). Said MOP serves the purpose of setting forth guidelines and rules for administration of a temporary emergency shelter facility (“The Salvation Army Hospitality House”) and other improvements. All of the foregoing is set forth in the MOP.

2. The term of the MOP shall be for as long as the property is used as a temporary emergency shelter.

3. The full MOP, as amended from time to time, is on file with the City of Santa Ana and can be reviewed at 20 Civic Center Plaza, 2nd Floor, contact Planning Division.

4. This Memorandum of Understanding is not intended to amend or modify, and shall not be deemed or construed as amending or modifying, any of the terms, conditions or provisions of the MOP, all of which are hereby ratified and affirmed. In the event of a conflict between the provisions of this Memorandum of Understanding and the provisions of the MOP, the provisions of the MOP shall control. The Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, successors, and assigns, subject to the provisions of the MOP.
IN WITNESS WHEREOF, the parties have executed this Memorandum of Understanding as of the day and year first above written.

Dear Taxpayer:

This is in response to your Feb. 18, 2009, request for information regarding your tax-exempt status. You have represented that you are a component part of the Salvation Army.

By a ruling dated June 1933, National Headquarters of the Salvation Army was held to be exempt from Federal income tax under section 103(6) of the Internal Revenue Act of 1932, which now corresponds to section 501(c)(3) of the Internal Revenue Code. Even though the organization was issued an individual ruling, the exemption letter covers all component units.

By a ruling dated April 1972, the National Headquarters of the Salvation Army and its component units were classified as those which are not a private foundation within the meaning of section 509(a) of the Code because they are described in sections 509(a)(1) and 170(b)(1)(A)(i).

Donors may deduct contributions to you as provided in section 170 of the Code. Requests, legacies, devises, transfers, or gifts to them or for their use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Michele M. Sullivan, Oper. Mgr.

The House Rules

The Salvation Army Hospitality House Rules

1. Guests may stay 14 consecutive nights, depending on bed availability. A period of 30 days must be maintained between stays. Everyone must show some form official I.D. to stay in the Hospitality House Shelter.

2. Check in time for a new guest is 3:30pm at shuttle stop. All other returning guests must check in before departure of 4:00 or 5:00 pm shuttle or in own vehicles. Guests who do not check in by 5:00 pm and do not have a verified late call will forfeit their bed. No one may leave the shelter after they have checked in for the night.

3. Absolutely no drugs, alcohol, pornography or weapons are permitted on the property. All personal items will be checked into our storage bin at intake. Guests may not enter the Hospitality House under the influence of drugs or alcohol; each situation will be handled on a case by case basis. Medications, toiletries and personal items that fit into a large zip lock bag are allowed in the dorm and/or in our storage locker.

4. All food must be stored in our outdoor bin or thrown away.

5. Personal items not retrieved from the dorm, bin and/or storage locker, by the guest within 3 days of exiting the shelter, will be donated and/or disposed. TSA Hospitality House is NOT RESPONSIBLE for any personal items lost, stolen and/or damaged.

6. Late returning calls are set up with the Front Desk Attendant the night before & only for verified employment and/or appointments. Late Call check-in is by 7:00 pm. No late meals are provided after 6:45pm.

7. Showers are required every day. Showers should be less than 10 minutes in duration and be taken between 4:00 and 7:00 pm. Towels are issued with an I.D., which is left at the front desk until the towel is returned. Guests cannot lie on their bed until after they have showered. You will be asked to leave if you do not take a daily shower.

8. New clients must surrender at least 4 complete outfits to be washed before entering the dorm. All new guests are eligible to receive 1 outfit to wear while we wash your clothes.
9. **No fighting or profanity will be allowed.** Everyone is to be treated with respect and courtesy. Guests violating these rules will be asked to leave immediately.

10. **Dinner is served between 5:15- 5:30 pm.** Shoes, socks and proper attire must be worn in all public areas.

11. **Evening Front Desk Attendants are available for basic resources and referrals between 7:00 – 8:00 pm.** If you require further assistance please see a Case Manager(s).

12. **Special scheduled programs begin at 6:15 pm.** The dorm will be closed all during evening programs.

13. **Lights are turned off at 10:00 pm.** Cell phones and/or other hand held devices are not allowed to be used in the dorm after 10:00 pm.

14. **Wake up time is 6:00 am.** An early wake-up call will be conducted at 4:30 am for persons needing to take the 5:00 am shuttle or are going to work. These must be arranged by making a wake-uwp request the night before. There are NO morning showers. Breakfast is served at 6:15 am.

15. **Check out time is 7:00 am.** Shelter guests may retrieve any personal items from the bin between 6:30-6:45am. All guests must leave the shelter by shuttle at that time and may return to the property no earlier than on the 4:00pm shuttle.

16. **Guests may leave their personal possessions on their bed each morning only if they are returning that same evening.** Items left on the floor and/or on a chair will be disposed or donated. The Hospitality House is not responsible for any lost, stolen or damaged personal items.

17. **Shelter guests will not be able to smoke anywhere on temporary shelter property except in designated area on enclosed, fenced patio within facility.**

18. **Shelter guests may not loiter or litter on property in the surrounding residential area in order to contribute to good neighbor relationships.**
May 4, 2015

Dear Property/Business Owner or Resident:

SUBJECT: THE SALVATION ARMY EMERGENCY TEMPORARY HOMELESS SHELTER AT 1710 WEST EDINGER AVENUE

This letter is to notify you that The Salvation Army, a non-profit organization, will be using the existing gymnasium at 1710 West Edinger Avenue to temporarily shelter 49 homeless men while the expansion of their existing emergency shelter at 818 East Third Street is under construction. The temporary use of The Salvation Army Edinger facility as an emergency shelter would be limited to a maximum of 12 months.

A representative from The Salvation Army will be presenting additional information regarding their emergency shelter project at the joint neighborhood association meeting on Thursday, May 14, 2015 at 6:00 pm at John Adams Elementary at 2130 South Raitt Street.

Should you have any questions regarding this temporary project, please feel free to contact Associate Planner Melanie McCann at (714) 667-2746.

Sincerely,

Vince Fregoso, AICP

Estimado dueño de propiedad/negocio o residente:

TEMA: ALBERGUE DE EMERGENCIA TEMPORAL PARA HOMBRES SIN HOGAR EN EL EJÉRCITO DE SALVACION (THE SALVATION ARMY) EN 1710 WEST EDINGER AVENUE

Esta carta es para informarle que el Ejército de Salvación, una organización sin fines lucrativos, usará el gimnasio existente en 1710 West Edinger Avenue para albergar temporalmente a 49 hombres sin hogar mientras que la expansión de su albergue de emergencia existente en 818 East Third Street está en construcción. El uso temporal de la instalación del Ejército de Salvación sobre la calle Edinger como un albergue de emergencia sería limitado a un máximo de 12 meses.

Un representante del Ejército de Salvación se presentará información adicional con respecto a su proyecto de albergue de emergencia en la reunión de asociación conjunta del barrio de jueves, 14 de mayo de 2015 en 18:00 en la escuela primaria John Adams Elementary en 2130 South Raitt Street.

Si tiene alguna pregunta acerca de este proyecto temporal, por favor no dude en contactar a Melanie McCann, Planificadora Asociada, al (714) 667-2746.

COMMUNITY NOTICE:

SALVATION ARMY SANTA ANA HOSPITALITY HOUSE RENOVATION

The Salvation Army’s Hospitality House opened its doors at 818 E. Third Street in the City of Santa Ana in 1964, providing emergency shelter and resources to those marginalized through homelessness. After fifty years of service, we are pleased to announce that we are undertaking a major renovation of this facility.

The "new" Hospitality House will:

- be an upgraded, modernized facility with new amenities
- provide 24/7 staff supervision and security
- increase capacity to serve more individuals with vital resources
- offer a safe, positive environment in which to recover health and purpose
- move more homeless men off the streets into stable housing, employment, and proactive lives
- include program and training spaces for the community

The first step will begin, at the earliest June 2015, with the demolition and site works at the 818 E. Third Street site in Santa Ana. In order to provide continuous service to the community, the clients and employees from our current Hospitality House will relocate to the gym and offices of The Salvation Army facility on 1710 W. Edinger 92704 where they will remain for the duration of construction.

The Salvation Army runs an excellent program and is sensitive to not only the needs of our clients, but the community in which they serve. Thank you for your understanding as we continue to give a helping hand to the people of Orange County. Please do not hesitate to contact us should you have any questions.

EXPECTED DURATION OF CONSTRUCTION: Ten to twelve months.

The Salvation Army believes in giving a hand up to those in need. This success story is just one example of what an individual can accomplish at the Hospitality House.

B. L. is a gentleman who entered our homeless shelter after being laid off from his 17-year job as a warehouse technician. B. had also gone through a divorce and a battle with drinking. He applied for the Hospitality House Work Search Program and was accepted. He searched for employment five days per week, met with his case manager weekly, and performed volunteer tasks around the shelter, attended meetings and bible studies as required. We soon found out that he held a Bachelor’s degree in chemistry but had never been able to work in that field. He soon found work as a warehouse manager and kept that job while looking for one with higher wages and was career oriented. He was so excited when he was accepted for a chemist in training position with Mobil Oil. B. was a Christian man with a quiet humbling manner who was able to learn from his experience of being homeless, help the others in his group with wisdom and kindness, and help out at the shelter.

The Salvation Army Temporary Emergency Shelter
1710 West Edinger Avenue
INFORMATION AND FACT SHEET

The Salvation Army Hospitality House is one of two year-round emergency shelters in Orange County, and has been serving homeless persons at 818 East Third Street since 1964. The Salvation Army is in the process of expanding their Third Street facility to serve up to 75 homeless men, up from the current capacity of 50. While the expanded permanent emergency shelter is under construction, The Salvation Army intends to use their facility at 1710 West Edinger Avenue as a temporary (12 months) shelter.

How many homeless people are proposed to be served by the temporary shelter?
A maximum of 49 homeless men would be served by the temporary shelter.

How was the Temporary Shelter permitted on the site?
The short term use of the site as a temporary shelter to serve the homeless was determined to be consistent with the Community Center use.

When will the site open?
The earliest the Temporary Shelter is anticipated to open is in late June 2015; shortly after construction begins for the Permanent Shelter at 818 East Third Street.

What assurances are there that the shelter will leave after one year?
The construction of the permanent facility is expected to take up to a year. If construction took longer than one year, the City would require the Edinger site to be vacated.

If there are concerns associated with homeless loitering or community safety, who does the community call?
The Salvation Army can be contacted at (714) 832-7100 during business hours. The Santa Ana Police Department can also be contacted at (714) 834-4211 to report any suspicious activity. If it is an emergency, please dial 911.

Does the Salvation Army plan to offer recreational programs during the time period that the gym is a temporary homeless shelter?
No. The temporary homeless shelter is anticipated to be the only use for the gym. Programming sponsored by the on-site church will continue.

What are some options to minimize impact of loitering at adjacent businesses, residents and schools?
The Salvation Army will offer shuttle service to transport the homeless men to and from the shelter. The Salvation Army will also initiate a Courtesy Patrol around the site once a week to identify trash or issues related to the temporary shelter.

How can the neighborhood participate in an ongoing basis?
A Good Neighbor Advisory Committee will be established and meet monthly during temporary use of the site to bring forth any areas of concern or opportunities for improvements. Participation will include neighborhood and business representatives, a local school representative, a former homeless person, and City staff including a Police Department liaison.

What measures will be taken to minimize the impacts to quality of life while the temporary shelter is in operation?
Solutions include hours of operation and identifying alternative check in procedures and transportation options.

Why are residents just now being informed by the City?
Late last year, The Salvation Army decided that the use of their property at 1710 West Edinger site was the best option to temporarily house their homeless guests. The Salvation Army and City staff have been discussing the permitting process for the temporary shelter site, including evaluation by the City Building Safety Division and Fire Authority of the use the gymnasium as a shelter. Once the technical requirements for use of the gym were resolved, the project was able to be presented to the neighborhood.

La Casa De Hospitalidad
Local Temporal

The Salvation Army está actualmente reconstruyendo nuestra unidad de ayuda a hombres sin hogar en 818 E. Third Street en Santa Ana.
Durante la construcción estaremos proveyendo ayuda de refugio temporal en nuestra propiedad en el local 1710 W. Edinger Ave. en Santa Ana.
El refugio será abierto a mediados de Octubre y estará en la parte posterior donde está el gimnasio y centro comunitario.

Por favor llame al Salvation Army al 714-832-7100 si tiene alguna pregunta, visite nuestra pagina de internet en www.salvationarmyoc.org en el cual puede ver el desarrollo y operaciones del plan.
Gracias por su comprensión durante la renovación de nuestras centros de emergencia.
The Salvation Army is currently rebuilding our emergency homeless shelter for men located at 818 E. Third Street in Santa Ana.

During this time of construction and transition, we will be operating a TEMPORARY emergency shelter for men on our property at 1710 W. Edinger Ave. in Santa Ana. The shelter will open in mid-October and will be located in the rear of the property, formerly the gymnasium and community center.

Please call The Salvation Army at 714-832-7100 if you have any questions, or visit our website at www.salvationarmyoc.org to view the Management and Operation Plan.

Thank you for your patience as we make important improvements to our emergency sheltering services.
ATTACHMENT 7

List of Collaborative Partners

**Food:** For provision of food for all Hospitality House clients in Phase I and Phase II programs

*Second Harvest and OC. Food Banks* – provide bulk food for the guest’s meals
