The Santa Ana Police Department in partnership with Community Preservation, Santa Ana Unified School District, Parks & Recreation, and Public Works developed an Anti-Graffiti Campaign. The program will allow the school children to get involved in the community and will be encouraged to design a new anti-graffiti logo. The logo will be produced on all marketing material for the Graffiti Task Force and the City of Santa Ana's website.

Local businesses have committed to donate gifts to encourage the children's participation and creativity in this noteworthy event. The top winners of the contest will be announced and recognized during an unveiling ceremony.

Graffiti is a nationwide problem, which creates blight and damages property. The goal of this educational campaign is to create community awareness on the effects of this harmful activity and to reduce graffiti.
