### **EPIC Scheduled to Host Town Hall Meeting**

**What:** The Early Prevention and Intervention Commission has been meeting monthly to discuss the issues of gangs and gang violence. The main goal of EPIC is to identify and address the causes of gang participation among our youth.

Until now, the community's input has been limited. EPIC is asking that the Delhi community attend this month's meeting to give their perspective on the gang issues that affect them most. The community is also asked to address the commission with what resources they would need to combat gang problems and to assist the at-risk youth in their community.

The goal of this town hall meeting is to obtain community input on gang issues. EPIC also hopes to better understand the community's needs to provide more effective resources to combat gang participation and crime.

**When:** Wednesday, September 26, 2007  
5:30 p.m. to 6:00 p.m. – Neighborhood Tour  
6:00 p.m. – Meeting

**Where:** Delhi Community Center  
505 E. Central Avenue, Santa Ana, CA

**Available to the media:** Interview opportunities with EPIC commissioners and members of the community.
