SAPD Officers Spread Christmas Cheer to Saint Francis and Saint Edna Senior Homes

What: The Santa Ana Police Department's Community Relations Team has once again organized a Christmas gift drive and dinner for the senior citizens from St. Edna and St. Francis Senior Homes. The seniors provided a wish list that contained several items they desired. Last year, SAPD officers were able to provide gifts for 107 seniors. Many of the seniors at St. Edna and St. Francis do not have families to celebrate Christmas with, and without the generosity of SAPD employees, many of the seniors may not have an opportunity to share in the festivities of the holiday season.

Come join Santa Ana Police officers as they spread Christmas cheer to our local senior citizens.

When: Friday, December 21, 2007
5 p.m. to 8 p.m.

Where: Saint Francis Senior Home
1718 West Sixth Street
Santa Ana, CA 92703
