Our Community Priorities
Vision Statement Recap

• An image of the future we wish to create
• Concise description of our community values
• Vision statements are aspirational, purposeful, appropriate, idealistic, ambitious and future-oriented
LONDON - Over the years to 2036 – and beyond, London should: excel among global cities – expanding opportunities for all its people and enterprises, achieving the highest environmental standards and quality of life and leading the world in its approach to tackling the urban challenges of the 21st century, particularly that of climate change.
TORONTO - The vision of the Plan is about creating an attractive and safe city that evokes pride, passion and a sense of belonging - a city where people of all ages and abilities can enjoy a good quality of life.
NEW YORK CITY- New York City will continue to be the world’s most dynamic urban economy where families, businesses, and neighborhoods thrive.
SAN FRANCISCO- San Francisco is the center, the soul of the region which has long been a magnet for business, culture, retailing, tourism and education.
PORTLAND- Portland is a prosperous, healthy, equitable and resilient city where everyone has access to opportunity and is engaged in shaping decisions that affect their lives.
