A Tobacco Retail License from the City of Santa Ana is required before retailing any tobacco, tobacco products, or paraphernalia, and is contingent upon the observance of ALL federal, state, and local tobacco laws. Selling tobacco without a license is a serious offense, and could result in substantial penalties including fines and the denial of future City of Santa Ana Tobacco Retailing Permits. Permits are issued to fixed addresses only, and each address requires a separate permit. The term of a permit is one year beginning April 1 and ending on March 31 of the following year.

I state that the information given on this form is true and correct.
