OVERSIGHT BOARD RESOLUTION NO. 2015-04

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE FORMER COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF SANTA ANA APPROVING THE LONG RANGE PROPERTY MANAGEMENT PLAN PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34191.5

BE IT RESOLVED BY THE MEMBERS OF THE OVERSIGHT BOARD, AS FOLLOWS:

Section 1. The Oversight Board conclusively finds, determines and declares as follows:

A. Prior to February 1, 2012, the Community Redevelopment Agency of the City of Santa Ana (herein referred to as the “Former Agency”) was a community redevelopment agency duly organized and existing under the California Community Redevelopment Law (Health and Safety Code Section 33000, et seq.) (“Redevelopment Law”), and was authorized to transact business and exercise the powers of a redevelopment agency pursuant to action of the City Council of the City of Santa Ana.

B. Assembly Bill 1x 26, chaptered and effective on June 27, 2011, added Parts 1.8 and 1.85 to Division 24 of the California Health and Safety Code, which caused the dissolution of all redevelopment agencies and winding down of the affairs of former agencies, including such law as amended by Assembly Bill 1484, chaptered and effective on June 27, 2012 (together, the “Dissolution Act”).

C. As of February 1, 2012 the Former Agency was dissolved pursuant to the Dissolution Act and the Successor Agency to the Community Redevelopment Agency of the City of Santa Ana (“Successor Agency”) serves as the successor agency to the Former Agency.

D. The Successor Agency administers the enforceable obligations of the Former Agency and otherwise unwinds the Former Agency’s affairs, all subject to the review and approval by a seven-member oversight board (“Oversight Board”).

E. Pursuant to Health and Safety Code section 34175(b), and the California Supreme Court’s decision in California Redevelopment Association, et al. v. Ana Matosantos, et al., (53 Cal. 4th 231 (2011)), on February 1, 2012, concurrently with the dissolution of the Agency, all assets, properties, contracts, leases, books and records, buildings, and equipment of the former Agency transferred to the control of the Successor Agency by operation of law.
F. Pursuant to Health and Safety Code section 34191.5(b), upon the Successor Agency’s receipt of a finding of completion from the California Department of Finance ("DOF") pursuant to Health and Safety Code section 34179.7, the Successor Agency is required to prepare a long range property management plan ("LRPMP") for the former Agency’s real property assets and submit the approved LRPMP to the Oversight Board and DOF for approval.

G. The Oversight Board adopted Resolution 2015-02 approving the LRPMP at a special meeting on May 18, 2015. Upon initial review of the resolution and LRPMP, DOF advised that Property #5, which is subject to an enforceable obligation, cannot be retained by the Successor Agency indefinitely to fulfill its enforceable obligation. DOF recommended that the Successor Agency transfer the property to the City for future development and enter into compensation agreements with the affected taxing entities. The revised LRPMP reflects this recommended change in the disposition of Property #5.

H. The Successor Agency has prepared and submitted to the Oversight Board the LRPMP attached hereto as Exhibit A for approval and authorization to transmit the LRPMP to DOF for approval, all in accordance with the Dissolution Act.

Section 2. The Oversight Board of the Successor Agency to the Community Redevelopment Agency of the City of Santa Ana hereby finds and declares that each of the foregoing recitals is true and correct.

Section 3. The Oversight Board hereby approves the LRPMP attached hereto as Exhibit A for the properties owned by the Successor Agency pursuant to Health and Safety Code section 34191.5, and authorizes the City Manager, or his designee, to submit the approved LRPMP to the DOF.

Section 4. The Oversight Board hereby directs the City Manager, or his designee, to make or accept any augmentation, modification, additions, or revisions to the LRPMP as the City Manager, or designee, may deem necessary and appropriate in their reasonable discretion, based on review or communications from the Oversight Board or DOF.

Section 5. The Chair and Secretary of the Oversight Board shall sign the passage and adoption of this Resolution.

Section 6. The Successor Agency is hereby directed to transmit this Resolution and the accompanying staff report and all exhibits thereto, each of which is incorporated herein, to the DOF pursuant to Health and Safety Code Sections 34179(h).

Section 7. This Resolution shall take effect upon approval hereof by the DOF or failure of DOF to request review within five days following receipt of this Resolution.

Long Range Property Management Plan

Successor Agency to the former Community Redevelopment Agency of the City of Santa Ana

Revised - September 2015
INTRODUCTION

Pursuant to Assembly Bill 1X 26, the former Community Redevelopment Agency of the City of Santa Ana (“RDA”) was dissolved on February 1, 2012 and the City of Santa Ana (“City”) elected to serve as the Successor Agency (“Successor Agency”) to the former RDA. All non-housing related assets of the former RDA transferred by operation of law to the Successor Agency.

On June 26, 2012, the Oversight Board of the Successor Agency adopted Resolution 2012-09 to direct the Successor Agency to take certain actions related to the inventory of property. Those properties identified as having a governmental purpose use were approved to be transferred to the City. Four properties were identified as marketable properties to be disposed, and one property is subject to an enforceable obligation.

Certain governmental use properties were approved for transfer pursuant to Oversight Board Resolution 2012-09 as transmitted to the Department of Finance (“DOF”). Housing assets were reaffirmed for transfer to the Housing Authority of the City of Santa Ana, acting as the Successor Housing Agency by Oversight Board Resolution 2012-04 as transmitted to DOF.

Assembly Bill 1484 further clarified the RDA dissolution process and requires the Successor Agency to submit for approval to the Oversight Board and to DOF, a Long Range Property Management Plan (“LRPMP”) that addresses the disposition and use of the real properties of the former RDA. This LRPMP is due within six months after receiving a Finding of Completion (“FOC”) from DOF. The Successor Agency received its FOC from DOF on November 26, 2014.

The Oversight Board adopted Resolution 2015-02 approving the LRPMP at a special meeting on May 18, 2015. Upon initial review of the resolution and LRPMP, DOF advised that Property #5, which is subject to an enforceable obligation, cannot be retained by the Successor Agency indefinitely to fulfill its enforceable obligation. The revised LRPMP a change in the disposition of Property #5.

This document is the LRPMP for the Successor Agency to the former Community Redevelopment Agency of the City of Santa Ana.
