Property and Evidence

802.1 PURPOSE AND SCOPE
This policy provides for the proper collection, storage, and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and identifies those persons authorized to remove and/or destroy property.

802.2 DEFINITIONS
Property - Includes all items of evidence, items taken for safekeeping and found property.
Evidence - Includes items taken or recovered in the course of an investigation that may be used in the prosecution of a case. This includes photographs and latent fingerprints.
Safekeeping - Includes the following types of property:
- Property obtained by the Department for safekeeping such as a firearm
- Personal property of an arrestee not taken as evidence
- Property taken for safekeeping under authority of a law (e.g., Welfare and Institutions Code § 5150 (mentally ill persons))
Found property - Includes property found by an employee or citizen that has no apparent evidentiary value and where the owner cannot be readily identified or contacted.

802.3 PROPERTY HANDLING
Any employee who first comes into possession of any property shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage room along with the property form. Care shall be taken to maintain the chain of custody for all evidence.

Where ownership can be established as to found property with no apparent evidentiary value, such property may be released to the owner without the need for booking. The property form must be completed to document the release of property not booked and the owner shall sign the form acknowledging receipt of the items.

802.3.1 PROPERTY BOOKING PROCEDURE
All property must be booked prior to the employee going off-duty unless otherwise approved by a supervisor. For specific procedures regarding the booking of evidence, see Evidence Booking Procedures.

802.3.2 NARCOTICS AND DANGEROUS DRUGS
All narcotics and dangerous drugs shall be booked separately using a separate property record. For specific procedures regarding the booking of evidence, see Evidence Booking Procedures.
The officer seizing the narcotics and dangerous drugs shall place them in the designated locker accompanied by two copies of the form for the Records Division and detectives. The remaining copy will be detached and submitted with the case report.

802.3.3 EXPLOSIVES, ARSON EVIDENCE & FLAMMABLES
Officers who encounter a suspected explosive device shall promptly notify their immediate supervisor or the Watch Commander. The bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives will not be retained in the police facility. By definition, a “flammable” is virtually anything that is easily set on fire so special packaging is important. Arson evidence shall be sealed into Teflon coated metal cans provided in both the bike locker and report room and the cans then placed in the yellow flammable locker located in the bike locker. All flammable items are to be packaged individually and not mixed with other evidence. Fireworks are never to be booked into any evidence locker.

802.3.4 EXCEPTIONAL HANDLING
Certain property items require a separate process. The following items shall be processed in the described manner:

(a) Bodily fluids such as blood or semen stains shall be air-dried prior to booking.

(b) License plates found not to be stolen or connected with a known crime, should be released directly to the Evidence and Supply Specialist, or placed in the designated container for return to the Department of Motor Vehicles. No formal property booking process is required.

(c) All bicycles and bicycle frames require a property record. Property tags will be securely attached to each bicycle or bicycle frame. The property shall be placed in the bicycle storage area until an Evidence and Supply Specialist can log the property.

(d) A Property Receipt (SAPD S-85) shall be issued for all confiscated money from known owners. When booking money, the quantity of each denomination will be recorded on the evidence slip and the amount totaled. Values over $100.00 require a second officer’s verification and signature on the money envelope.

City property, unless connected to a known criminal case, should be released directly to the appropriate City department. No formal booking is required. In cases where no responsible person can be located, the property should be booked for safekeeping in the normal manner.

802.3.5 RELINQUISHED FIREARMS
Individuals who relinquish firearms pursuant to the provisions of Penal Code § 29850 shall be issued a receipt that describes the firearm, the serial number or other identification of the firearm at the time of relinquishment (Penal Code § 29810).

Relinquished firearms shall be retained for 30 days, after which time they may be destroyed, retained, sold or otherwise transferred, unless (Penal Code § 29810):
Property and Evidence

(a) A certificate is issued by a judge of a court of record or the District Attorney stating the firearms shall be retained; or

(b) The convicted person provides written notice of an intent to appeal the conviction that necessitated the relinquishment; or

(c) The Automated Firearms System indicates that the firearm was reported lost or stolen.

1. In such event, the firearm shall be restored to the lawful owner as soon as it is no longer needed as evidence, the lawful owner has identified the weapon and provided proof of ownership, and the Department has complied with the requirements of Penal Code § 33850 et seq.

The Evidence and Supply Specialist shall ensure the Records Manager is notified of the relinquished firearm for purposes of updating the Automated Firearms System and the disposition of the firearm for purposes of notifying the California Department of Justice (DOJ) (See the Records Division Policy).

802.4 PACKAGING OF PROPERTY
Certain items require special consideration and shall be booked separately as follows:

(a) Narcotics and dangerous drugs

(b) Firearms (ensure they are unloaded and booked separately from ammunition)

(c) Property with more than one known owner

(d) Paraphernalia as described in Health and Safety Code § 11364

(e) Contraband

For specific details regarding the packaging of evidence and property. See Evidence Booking Procedures

802.4.1 PACKAGING CONTAINER
Employees shall package all property, except narcotics and dangerous drugs, in a suitable container available for its size. Knife boxes should be used to package knives, and syringe tubes should be used to package syringes and needles.

A property tag shall be securely attached to the outside of all items or group of items packaged together.

802.4.2 PACKAGING NARCOTICS
See Controlled Substances Testing and Collection Procedure.

802.5 RECORDING OF PROPERTY
The Evidence and Supply Specialist will receive custody of evidence and use the current Records Management System to record, locate and store all evidence.
802.6 PROPERTY CONTROL
Anytime the Evidence and Supply Specialist receives property or releases property to another person, he/she shall use the current Records Management System to record each transaction.

802.6.1 RESPONSIBILITY OF OTHER PERSONNEL
Every time property is released or received, an appropriate entry on the evidence chain of custody shall be completed to maintain the chain of evidence. No property or evidence is to be released without first receiving written authorization from a supervisor or detective.

Request for analysis for items other than narcotics or drugs shall be completed on the appropriate forms and submitted to the Evidence and Supply Specialist. This request may be filled out any time after booking of the property or evidence.

802.6.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY
The transporting employee will check the evidence out of property, indicating the date and time on the property control card and the request for laboratory analysis.

The Evidence and Supply Specialist releasing the evidence must complete the required information on the property control card and the evidence. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies, and indicate the locker in which the item was placed or the employee to whom it was delivered.

802.6.3 STATUS OF PROPERTY
Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted on the property control card, stating the date, time and to whom released.

The Evidence and Supply Specialist shall obtain the signature of the person to whom property is released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded on the property control card, indicating date, time, and the person who returned the property.

802.6.4 AUTHORITY TO RELEASE PROPERTY

The Investigative Bureau shall authorize the disposition or release of all evidence and property coming into the care and custody of the Department, with some exceptions (safekeeping, found property).

802.6.5 RELEASE OF PROPERTY
All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.
Release of property shall be made upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the authorizing supervisor or detective and must conform to the items listed on the property form or must specify the specific item(s) to be released. Release of all property shall be documented on the property form.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed (Civil Code § 2080.6). The final disposition of all such property shall be fully documented in related reports.

A Evidence and Supply Specialist shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the property shall be recorded on the original property form. If some items of property have not been released the property card will remain with the Property and Evidence Section. Upon release, the proper entry shall be documented in the Records Management System.

Under no circumstances shall any firearm, magazine, or ammunition be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice that conforms to the provisions of Penal Code § 33865.

The Property and Evidence Section Supervisor should also make reasonable efforts to determine whether the person is the subject of any court order preventing the person from possessing a firearm and if so, the firearm should not be released to the person while the order is in effect.

The Department is not required to retain any firearm, magazine, or ammunition longer than 180 days after notice has been provided to the owner that such items are available for return. At the expiration of such period, the firearm, magazine, or ammunition may be processed for disposal in accordance with applicable law (Penal Code § 33875).

802.6.6 DISPUTED CLAIMS TO PROPERTY
Occasionally more than one party may claim an interest in property being held by the Department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Department may wish to file an interpleader to resolve the disputed claim (Code of Civil Procedure § 386(b)).
802.6.7 CONTROL OF NARCOTICS AND DANGEROUS DRUGS
The Evidence Unit will be responsible for the storage, control and destruction of all narcotics and
dangerous drugs coming into the custody of this department, including paraphernalia as described
in Health and Safety Code § 11364.

802.6.8 RELEASE OF FIREARM IN DOMESTIC VIOLENCE MATTERS
Within five days of the expiration of a restraining order issued in a domestic violence matter
that required the relinquishment of a firearm, the Evidence and Supply Specialist shall return the
weapon to the owner if the requirements of Penal Code § 33850 and Penal Code § 33855 are met
unless the firearm is determined to be stolen, evidence in a criminal investigation or the individual
is otherwise prohibited from possessing a firearm (Family Code § 6389(g); Penal Code § 33855).

802.6.9 RELEASE OF FIREARMS IN GUN VIOLENCE RESTRAINING ORDER MATTERS
Firearms and ammunition that were taken into temporary custody or surrendered pursuant to a
gun violence restraining order shall be returned to the restrained person upon the expiration of
the order and in accordance with the requirements of Penal Code § 33850 et seq. (Penal Code
§ 18120).

If the restrained person who owns the firearms or ammunition does not wish to have the firearm
or ammunition returned, he/she is entitled to sell or transfer title to a licensed dealer, provided that
the firearms or ammunition are legal to own or possess and the restrained person has right to title
of the firearms or ammunition (Penal Code § 18120).

If a person other than the restrained person claims title to the firearms or ammunition surrendered
pursuant to Penal Code § 18120 and the Santa Ana Police Department determines him/her to be
the lawful owner, the firearms or ammunition shall be returned in accordance with the requirements
of Penal Code § 33850 et seq. (Penal Code § 18120).

Firearms and ammunition that are not claimed are subject to the requirements of Penal Code §
34000.

802.6.10 RELEASE OF FIREARMS AND WEAPONS IN MENTAL ILLNESS MATTERS
Firearms and other deadly weapons confiscated from an individual detained for an evaluation by
a mental health professional or subject to the provisions of Welfare and Institutions Code § 8100
or Welfare and Institutions Code § 8103 shall be released or disposed of as follows:

(a) If a petition for a hearing regarding the return of a firearm or a weapon has been
initiated pursuant to Welfare and Institutions Code § 8102(c), the firearm or weapon
shall be released or disposed of as provided by an order of the court. If the court
orders a firearm returned, the firearm shall not be returned unless and until the person
presents valid identification and written notification from the California Department of
Justice (DOJ) that conforms to the provisions of Penal Code § 33865.

(b) If no petition has been initiated pursuant to Welfare and Institutions Code § 8102(c)
and the firearm or weapon is not retained as evidence, the Department shall make
the firearm or weapon available for return. No firearm will be returned unless and until
the person presents valid identification and written notification from the California DOJ that conforms to the provisions of Penal Code § 33865.

(c) Unless the person contacts the Department to facilitate the sale or transfer of the firearm to a licensed dealer pursuant to Penal Code § 33870, firearms not returned should be sold, transferred, destroyed, or retained as provided in Welfare and Institutions Code § 8102.

802.6.11 RELEASE OF FIREARMS, MAGAZINES, AND AMMUNITION
The Department shall not return any firearm, magazine, or ammunition taken into custody to any individual unless all requirements of Penal Code § 33855 are met.

802.7 DISPOSITION OF PROPERTY
All property not held for evidence in a pending criminal investigation or proceeding, and held for six months or longer where the owner has not been located or fails to claim the property, may be disposed of in compliance with existing laws upon receipt of proper authorization for disposal. The Evidence and Supply Specialist shall request a disposition or status on all property which has been held in excess of 120 days, and for which no disposition has been received from a supervisor or detective.

802.7.1 EXCEPTIONAL DISPOSITIONS
The following types of property shall be destroyed or disposed of in the manner, and at the time prescribed by law, unless a different disposition is ordered by a court of competent jurisdiction:

- Weapons declared by law to be nuisances (Penal Code § 29300; Penal Code § 18010; Penal Code § 32750)
- Animals, birds, and related equipment that have been ordered forfeited by the court (Penal Code § 599a)

- Destructive devices (Penal Code § 19000)
- Sexual assault evidence (Penal Code § 680)

802.7.2 UNCLAIMED MONEY
If found or seized money is no longer required as evidence and remains unclaimed after three years, the Department shall cause a notice to be published each week for a period of two consecutive weeks in a local newspaper of general circulation (Government Code § 50050). Such notice shall state the amount of money, the fund in which it is held and that the money will become
the property of the agency on a designated date not less than 45 days and not more than 60 days after the first publication (Government Code § 50051).

Any individual item with a value of less than $15.00, or any amount if the depositor/owner's name is unknown, which remains unclaimed for a year or by order of the court, may be transferred to the general fund without the necessity of public notice (Government Code § 50055).

If the money remains unclaimed as of the date designated in the published notice, the money will become the property of this department to fund official law enforcement operations. Money representing restitution collected on behalf of victims shall either be deposited into the Restitution Fund or used for purposes of victim services.

802.7.3 RETENTION OF BIOLOGICAL EVIDENCE
The Property and Evidence Section Supervisor shall ensure that no biological evidence held by the Department is destroyed without adequate notification to the following persons, when applicable:

(a) The defendant
(b) The defendant’s attorney
(c) The appropriate prosecutor and Attorney General
(d) Any sexual assault victim
(e) The Investigations Bureau supervisor

Biological evidence shall be retained for either a minimum period that has been established by law (Penal Code § 1417.9) or that has been established by the Property and Evidence Section Supervisor, or until the expiration of any imposed sentence that is related to the evidence, whichever time period is greater. Following the retention period, notifications should be made by certified mail and should inform the recipient that the evidence will be destroyed after a date specified in the notice unless a motion seeking an order to retain the sample is filed and served on the Department within 180 days of the date of the notification. A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the appropriate file and a copy forwarded to the Investigations Bureau supervisor.

Biological evidence related to a homicide shall be retained indefinitely and may only be destroyed with the written approval of the Chief of Police and the head of the applicable prosecutor’s office.

Biological evidence or other crime scene evidence from an unsolved sexual assault shall not be disposed of prior to the expiration of the statute of limitations and shall be retained as required in Penal Code § 680. Even after expiration of an applicable statute of limitations, the Investigations Bureau supervisor should be consulted and the sexual assault victim shall be notified at least 60 days prior to the disposal (Penal Code § 680). Reasons for not analyzing biological evidence shall be documented in writing (Penal Code § 680.3).
802.8 INSPECTIONS OF THE EVIDENCE ROOM

(a) On a monthly basis, the supervisor of the evidence custodian shall make an inspection of the evidence storage facilities and practices to ensure adherence to appropriate policies and procedures.

(b) Unannounced inspections of evidence storage areas shall be conducted annually as directed by the Chief of Police.

(c) An annual audit of evidence held by the Department shall be conducted by a Bureau Commander (as appointed by the Chief of Police) not routinely or directly connected with evidence control.

(d) Whenever a change is made in personnel who have access to the evidence room, an inventory of all evidence/property shall be made by an individual not associated to the property room or function to ensure that records are correct and all evidence property is accounted for.
