Homegrown Proven Leadership: Santa Ana has been my home for over 40 years. I attended Fremont Elementary, Santiago High School, Santa Ana College and Cal State Fullerton. I'm a proud homeowner in Washington Square.

I've served as your councilmember and Mayor Pro Tem (2000-2012). Under my leadership, our city was ranked the 4th safest city by Forbes Magazine, hundreds of city streets were repaired and we successfully overcame the 2008 recession. The homeless issue was under control. My priorities as Mayor:

Re-defining Public Safety/Health: Safer Homes, Streets & Policies

Fighting COVID-19 by conducting testing, tracing and education.

Improving police response times, engaging in community-oriented policing.

Developing strategic Public Safety Plan incorporating de-escalation and cultural competency training, increasing impartiality and ensuring greater accountability.

Revitalizing the Economy: Financial Stability, Jobs and Education

Implementing comprehensive plans to address the city's budget deficit, keeping our small businesses afloat & attracting new businesses.

Creating jobs by partnering public and private agencies with colleges and skilled trade apprenticeships, re-training the unemployed and securing a career pipeline.

Improving Quality of Life: Homelessness and Infrastructure

Utilizing county resources to bring long term solutions to the homelessness and mental health crisis.

Addressing deferred maintenance of parks and streets, increasing access to secure and reliable internet city-wide.
