

**CITY OF SANTA ANA  
MAYOR**

**VICENTE SARMIENTO**

Councilmember, City of Santa Ana/Businessman

---

As your Councilmember, I have worked hard to ensure safe neighborhoods, good schools, a healthy local economy, and a strong quality of life for all Santa Ana residents. As your Mayor, I will use this experience and my knowledge and love of our City to provide the vigorous, ethical, and transparent leadership Santa Ana deserves during these very challenging times.

During my time on the City Council, I have successfully helped:

Balance the City's budgets and created fiscal reserves in excess of \$50 million;

Repair over 315 miles of local streets and roads;

Create over 22 acres of new open space in town; and

Provide rental assistance to residents impacted by COVID-19.

My priorities going forward include reducing homelessness, creating safer neighborhoods, improving our public health, affordable housing, protections for all immigrants, and investing in our youth.

My family arrived in Santa Ana in 1965 as first generation immigrants. After studying economics at UC Berkeley, and receiving my law degree from UCLA, I returned to Santa Ana, where I live and work today in a 1929 historic home with my wife and three children.

I respectfully ask for your support and vote. Thank you for your consideration.
