

Name: Jessie Lopez

Ballot Designation: Diversity Development Coordinator

I grew up in a working-class, Latino household right here in Santa Ana. As a first-generation college student, I worked two jobs to graduate from Santa Ana College and CSU, Long Beach. Like you, I value hard work and opportunity. I care deeply about Santa Ana and believe all residents should have the opportunity to succeed. As a homegrown resident, I have dedicated my time to serving Santa Ana residents by advocating for local government accountability, fiscal responsibility, and public safety. At a time when profit-driven developers have too much influence, my commitment to protecting our community is what Santa Ana needs.

I share your concerns about improving Santa Ana's quality of life and making our community a better place to live for all its residents.

As your councilwoman, I will:

- Protect neighborhoods from overdevelopment

- Invest in and strengthen early childhood education, public schools, and job training opportunities

- Address homelessness by implementing data rooted solutions

I'm grateful to this city for allowing me to become who I am. At my core, I'm dedicated to serving my community. I humbly ask for your vote and pledge a transparent, fiscally responsible government that is responsive and fair to all Ward 3 residents.
