**MARK MCLOUGHLIN**

Santa Ana Planning Commissioner

---

As a 29-year resident of North Santa Ana, long-time homeowner, and active leader for our neighborhoods, I care deeply about the future of Santa Ana, its families, and business community.

My extensive community involvement and dedicated public service has provided me the experience, knowledge, and relationships to bring effective representation and voice to our City Council that will once again prioritize our north side of town.

I pledge an open mind to listen, thoughtful integrity-based decision-making, and dedicated service to bring positive change.

My experience includes:

Chairman, Santa Ana Planning Commission;  
President, Floral Park Neighborhood Association;  
Board Member, Rancho Santiago Community College District;  
Vice President, Santa Ana College Foundation;  
President, High School Inc., Santa Ana Unified School District;  
Chairman, School District's Citizens Bond Oversight Committee;  
Auxiliary Committee, Mercy House, WisePlace homeless shelters;  
Vice Chair, Santa Ana Historic Resource Commission;  
Board Member, Santa Ana Chamber of Commerce; and  
Recipient, Santa Ana Neighborhood Hero Award.

I also have over 30 years of experience as a business executive for various Fortune 500 companies and startups, specializing in strategic planning, cost reduction, and contract negotiations.

Over 120 Santa Ana city commissioners, neighborhood association leaders, elected officials, business and community leaders have formally endorsed my campaign.

I humbly ask for your vote. Thank you for your consideration.
