1.0 RECOGNITION

1.1 Pursuant to the Employee Relations Resolution of the City of Santa Ana (Resolution Number 81-075) and applicable State law, the City of Santa Ana (hereinafter called "the City") certified the Santa Ana Management Association (herein after called "SAMA") on September 25, 2002, as the majority of the Middle Management and Administrative Management Representation Unit (hereinafter called the "Unit") previously found appropriate by the Employee Relations Officer. The City hereby recognizes SAMA as the certified majority representative of the full time employees in said Unit. The term "employee" or "employees" as used herein shall refer only to full-time employees employed by the City in said Unit in the employee classifications comprising said Unit as listed in the attachments shown as listed "Exhibit A & B," as well as such classifications as may be added hereafter by the employee designated as the employee relations officer pursuant to Resolution No. 81-75.
ARTICLE II

2.0 PURPOSE AND INTENT

2.1 It is the purpose of this Memorandum of Understanding MOU (hereinafter referred to as MOU) to promote and provide for harmonious relations, cooperation and understanding between the City and employees covered by this MOU. It sets forth the full and entire understanding reached in good faith negotiations regarding the wages, hours, terms and conditions of employment of employees covered by this MOU.

2.2 Notwithstanding the following provisions of this MOU, the parties agree that they have intended nothing herein to entitle, alter, or award Civil Service rights or privileges to any employee represented by SAMA who is in the Excepted Service of the City.
ARTICLE III

3.0 IMPLEMENTATION

3.1 This MOU constitutes a recommendation jointly submitted to the City Council of the City of Santa Ana. The parties agree that this MOU shall not be binding upon the parties until said City Council:

A. Acts, by majority vote, formally to approve said MOU and,

B. Acts to appropriate the necessary funds required to implement the provisions of this MOU that require funding.

3.2 Implementation shall be effective as of the date the MOU is both approved by the City Council and the funding has been appropriated pursuant to Section 3.1 above. If the parties fail to agree to implement provisions of this Memorandum not requiring City Council approval, then negotiations shall resume upon the request of either party.
ARTICLE IV

4.0 ATTENDANCE, WORKDAY, WORKWEEK, & WORK SCHEDULE

4.1 Attendance. All full time SAMA employees covered by this MOU shall be in attendance at their assigned worksite during hours prescribed by the City Manager or Executive Director they report to, or designee(s) and shall not absent themselves during prescribed hours without authorization. SAMA employees shall not be required to submit Leave of Absence Requests for absences of two (2) hours or less.

4.2 Hours of Work. Eight (8) hours of work shall constitute a normal day and forty (40) hours of work shall constitute a minimum workweek, except for employees for whom special regulations have been approved by the City Manager.

A. 4/10 Work Schedule. The Executive Director, with the approval of the City Manager, may assign SAMA employees to a workweek consisting of four (4) ten (10) hour day with an additional one-half (1/2) or one (1) hour for unpaid lunch periods. The regular workweek shall consist of forty (40) hours. A regular day off shall consist of ten (10) hours.

B. 9/80 Work Schedule. All SAMA employees shall be permitted to work a 9/80 work schedule when authorized by the Executive Director and approved by the City Manager. A SAMA employee will not be permitted to work this schedule if in the discretion of the Executive Director and City Manager, the 9/80 work schedule may reduce service to the public.

1. 9/80 Work Schedule Defined. The 9/80 work schedule shall be defined as working eighty hours over nine days in a two-week period. An employee shall work eight days for nine hours per day and one day for eight hours, excluding a one-hour lunch break during each work shift, totaling forty (40) working hours in each work week.

a. The Work Week Period. The forty (40) hour work week period shall be defined as the work period starting from Friday at mid-shift to Friday at mid-shift. No employee working the 9/80 work schedule will be able to flex their Friday start time or the time they take their lunch break, which will occur in the middle of the day on Fridays.

b. The 9/80 Work Period. The 9/80 two-week work period for employees starts Friday mid-shift and continues for fourteen (14) days until Friday mid-shift. During this period, each week is made
up of four nine-hour work days (thirty-six hours) and one four-hour Friday and those hours equal forty work hours in each work week (e.g., the Friday is split into four hours for the first shift, which is charged to work week one and four hours for the second shift, which is charged to work week two).

c. SAMA employees cannot change schedules without prior approval of their Executive Director. The purpose of this authorization is to review the impact on supervision, staffing and workload. Employees may change schedules at the beginning of any work period with approval of their Executive Director.

d. Modifications of the 9/80 work week period are not permitted unless authorized by the Executive Director of Human Resources and the City Manager.

e. Emergencies: All SAMA employees on the 9/80 work schedule are subject to be called to work any time to meet any and all emergencies or unusual conditions that, in the opinion of the City Manager, Executive Director or designee, may require such service from any of said employees.

2. **Leave Benefits.** When a SAMA employee is off on a scheduled workday under the 9/80 work schedule, then nine (9) hours of eligible leave per workday shall be charged against the employee’s leave balance or eight (8) hours shall be charged if the day off is a Friday. All leaves shall continue under the current accrual, eligibility, request and approval requirements.

3. **Holidays.** Provisions for holiday leave are found in Article VIII of this MOU.

4. **Jury Duty Leave.** The provisions of the MOU shall continue to apply; however, if an employee is called to serve on jury duty during a normal Friday off, Saturday, or Sunday, or on a City holiday, then the jury duty shall be considered the same as having occurred during employee’s day off work.
4.3 It is intent of the parties that no additional paid time off shall be gained or lost as a result of implementing any alternate work schedules. The City and SAMA agree to meet and confer to discuss abandoning any work schedule and implementing an alternate work schedule if the current schedule has not achieved the desired results.
ARTICLE V

5.0 SALARIES

5.1 Basic Compensation Plan. There is hereby established a basic compensation plan for all full-time personnel who are now employed or will in the future be employed in any of the designated classifications of employment represented by SAMA as listed in this MOU and its attachments.

5.2 Schedule of Salaries.

A. Two separate schedules of salary rate ranges, one for classifications of employment designated as SAMA Middle Management (MM) assigned to 17-step monthly salary rate ranges, and one for classifications of employment designated as SAMA Administrative Management (AM) assigned to 5-step monthly salary rate ranges, are attached hereto in matrix format as though set forth herein.

The assignment of classifications to salary rate ranges for SAMA Middle Management (MM) and SAMA Administrative Management (AM) is listed in the City’s salary schedule, as periodically updated and published by the City.

B. The basic salary schedule for SAMA Middle Management classifications contains numerous salary rate ranges, each range comprised of seventeen (17) separate rates of pay shown in monthly amounts. The respective rate ranges are identified by a two-digit number preceded by the capital letters “MM.” The separate rates of pay or steps within each salary rate range are identified by the numbers “1” through “17” inclusive, with Step “1” being the lowest or minimum rate of the range, Step “9” the middle or midpoint rate of the range, and Step “17” being the highest or maximum rate. The purpose of each step and criteria for advancement are set forth in Subsection 5.8(A) below.

C. The basic salary schedule for SAMA Administrative Management contains salary rate ranges comprised of five (5) steps or rates of pay shown in monthly amounts, identified by the letters “A” through “E” inclusive, with Step “A” being the lowest step in the range. The purpose of each step and criteria for advancement to the next higher step within a particular salary rate range are set forth in Subsection 5.8(B) below.
5.3 Salaries
A. Effective July 1, 2019, the base salaries of classifications represented by this MOU shall be increased by three and one-half percent (3.5%).

B. Effective July 1, 2020, the base salaries of classifications represented by this MOU shall be increased by three and one-half percent (3.5%).

C. Effective July 1, 2021, the base salaries of classifications represented by this MOU shall be increased by three and one-half percent (3.5%).

5.4 Application of Basic Compensation Plan. The salary rate ranges contained in Subsection 5.2 are monthly salary rate ranges. All employees working in classifications of employment covered by this MOU shall be compensated at a monthly rate.

5.5 Probation. Except for employees in the Excepted Service as defined by the City Charter and employees re-employed from re-employment eligible lists, the probationary period shall be one (1) year from the date of appointment from an open eligible list (new hire) or a reappointment eligible list (rehire) or appointment from a promotional eligible list.

5.6 Beginning Rates.
A. SAMA Middle Management Classifications. An employee appointed to a Middle Management classification shall be compensated at any rate within the lower third of the 17 step salary rate range (Steps "1" through "6") for their job classification as authorized by the Appointing Authority. When economic conditions, unusual employment conditions, or exceptional qualifications of a candidate for employment indicate a higher rate would be in the City’s best interest, the City Manager may authorize hiring at a higher rate in the salary rate range but this higher rate generally shall not be above the midpoint.

B. SAMA Administrative Management Classifications. An employee appointed to an Administrative Management classification may be placed by the Appointing Authority at any step within the applicable five (5) step salary rate range (Steps “A” through “E”) in the schedule to which the classification has been assigned through adoption of this MOU, provided that such employee shall be assigned such salary step upon the commencement of his or her service in said classification and such assignment having once been made shall remain in effect until the said employee shall be entitled to advance to the next salary step in accordance with the further provisions of this Article as set forth below.
5.7 Service. The word “service” as used in this MOU shall be deemed to mean continuous, full-time service in the classification in which the employee is being considered for salary advancement, service in the higher classification or service in a classification allocated to the same salary rate range and having generally similar duties and requirements.

Notwithstanding the above, employees in classifications represented by SAMA who are hired after the first (1st) working day of the month shall not be credited with time in service for that month when determining the length of service for salary advancement.

A lapse of service by an employee for a period of time longer than ten (10) calendar days, by reason of resignation, quit, or discharge, shall serve to eliminate the accumulated length of service time of such employee for the purpose of this MOU, and any such employee reentering the service of the City shall be considered as a new employee, except that he or she may be reappointed as provided in Santa Ana Municipal Code (SAMC) Chapter 9-114 and may be placed in the same salary step in the appropriate salary rate range as he or she was at the time of termination of employment.

5.8 Advancement Within Ranges.

Steps “1” through “15” Advancement: For any employee in a SAMA Middle Management classification covered by this MOU who has been initially appointed to a step lower than Step “15”, advancement in the SAMA Middle Management schedule of salary rate ranges may be granted only for continued meritorious and efficient service by said employee in the effective performance of the duties of his or her position. Such advancement shall be in two-step increments, each step being equivalent to 2.5%, for a total increase of 5% per year, until Step “15” is achieved. For example, an employee covered by this MOU shall advance from Step 1 to Step 3, Step 3 to Step 5, Step 5 to Step 7, Step 7 to Step 9, Step 9 to Step 11, Step 11 to Step 13, or Step 13 to Step 15. The effective date of such merit step increase, if granted, shall be the first (1st) day of the month following the completion of one (1) year of service at the step from which said employee is being advanced.
2. **Advancement to Steps “16” and “17”:** Any employee in a SAMA Middle Management classification covered by this MOU, who has reached Step “15” or Step “16” in the SAMA Middle Management schedule of salary rate ranges, may advance to the next higher step in the SAMA Middle Management schedule of salary rate ranges only for continued meritorious and efficient service by said employee in the effective performance of the duties of his or her position. Such advancement shall be in one-step increments, each step being equivalent to 2.5% per year until Step “17” is achieved. For example, an employee covered by this MOU shall advance from Step “15” to Step “16”, and Step “16” to Step “17”, respectively.

3. Any current SAMA Middle Management employee who previously advanced through the steps of each salary rate range using his or her initial date of hire into a middle management class shall retain that date as the anniversary date for purposes of advancing through the steps of each salary rate range while in his or her current class and for any subsequent promotions to a SAMA Middle Management class. The effective date of such merit step increase, if granted, shall be the first (1st) day of the month following the anniversary date.

Such merit advancement shall require the following:

a. There shall be on file in the office of the Executive Director of Human Resources a copy of each periodic performance appraisal required to be made on the employee by the Civil Service Rules and Regulations and/or the City Manager during the period of service time of such employee subsequent to his or her last salary advancement.

The Appointing Authority, at least twenty (20) calendar days prior to the anticipated completion of such employee’s required length of service, shall file with the City Manager a statement recommending the granting or denial of the merit increase and supporting such a recommendation with specific reasons therefore. The employee shall be notified by the Appointing Authority as to such recommendations and shall be informed of the reasons.

c. No advancement in salary shall become effective until approved by the City Manager, except when placement on a salary step above
Step “I” results from promotion under the provisions of Section 5.9 (A) of this MOU.

d. Notwithstanding the foregoing provisions of this subsection to the contrary, a merit step advance shall be automatically granted ninety (90) days after the due date if no performance appraisal is completed. The effective date of such merit step advance shall be retroactive to the first (1st) day of the month following the completion of the required length of service.

4. When an employee in a SAMA Middle Management classification has not been approved for advancement to the next higher salary step, he or she may be reconsidered for such advancement after the completion of three (3) months of additional continued service in the classification and shall be reconsidered for advancement to the next higher step above his or her then current step after the completion of six (6) months of additional continued service in the classification.

5. An employee in a SAMA Middle Management classification who is being paid at any salary step above Step “I” may be reduced to the next lower step in the appropriate salary rate range upon the recommendation of the Appointing Authority and the approval of the City Manager. Procedure for such reduction shall follow the same procedure for merit advancement in Subsection 5.8 Paragraph (A) (4) above, and such officer or employee may be considered for readvancement under the same provisions as contained in Subsection 5.8 Paragraph (A) (4) above.

B. SAMA Administrative Management Classifications: The following conditions shall govern salary advancement within 5-step rate ranges for employees employed in SAMA Administrative Management classifications:

The effective date of such merit step increase, if granted, shall be the first day of the month following the completion of one year of service at the step from which said employee is being advanced.
Such merit advancement shall require the following:

a. There shall be on file in the Office of the Executive Director of Human Resources a copy of each periodic performance appraisal required to be made on the employee by the Civil Service Rules and Regulations and/or the City Manager during the period of service time of such employee subsequent to his or her last salary advancement.

b. The Appointing Authority, at least twenty (20) calendar days prior to the anticipated completion of such employee’s required length of service, shall file with the City Manager a statement recommending the granting or denial of the merit increase and supporting such a recommendation with specific reasons therefore. The employee shall be notified by the Appointing Authority as to such recommendations and shall be informed of the reasons.

c. No advancement in salary shall become effective until approved by the City Manager, except when placement on a salary step above Step “A” results from promotion under the provisions of Section 5.9(B) of this MOU.

d. Notwithstanding the foregoing provisions of this subsection to the contrary, a merit step increase shall be automatically granted ninety (90) days after the due date if no performance appraisal is completed. The effective date of such merit step increase shall be retroactive to the first (1st) day of the month following the completion of the required length of service.

2. When any such employee in a classification designated as Administrative Management (AM) has not been approved for advancement to the next higher salary step, he or she may be reconsidered for such advancement after the completion of three (3) months of additional service and shall be reconsidered for advancement to the next higher step above his or her then current step after the completion of six (6) months of additional service. This reconsideration shall follow the same steps and shall be subject to the same actions as provided in Subsection 5.8(B)(1) above.
3. Any employee in an Administrative Management classification who is being paid at any salary step above "A" may be reduced to the next lower step in the appropriate salary rate range upon the recommendation of the Executive Director and the approval of the City Manager. Procedure for such reduction shall follow the same procedure for merit advancement provided in Subsection 5.8(B)(1) above, and such employee may be considered for re-advancement under the same provisions as contained in Subsection 5.8(B)(2) above.

9.0 VACATION

9.1 Purpose. It is the policy of the City to grant employees vacation leave in order to provide them with a break in their regular work schedule and this purpose will be used as a guide in the administration of the provisions of this Article.

9.2 Vacation.

Thereafter, members shall accrue the combined vacation with pay on a monthly basis as set forth in the following table.

B. No employee shall be entitled to, or receive payment for, any vacation until he or she has completed six (6) months of continuous service.

C. On or after the first (1st) day of the month following completion of six (6) months of continuous full-time service, an employee may be allowed to take all or a proportionate fraction of his or her earned vacation, subject to scheduling approval of the employee's supervisor.

D. Vacation time off may be taken in increments as small as one-half (1/2) hour, with fractional usage rounded upward to the next higher multiple of one-half (1/2).

E. The time at which an employee shall take his or her vacation shall be determined by the Department Head, with due regard for the wishes of the employee and particular regard for the needs of the City.

F. Computation of Vacation.

1. In computing vacation, each municipal holiday that occurs during the vacation, and that falls on a day which the employee would have worked had he or she not been on vacation, shall be deducted from the computation so that one (1) additional day of vacation shall be allowed to the employee unless departmental practice provides some other manner of compensating for municipal holidays. Should an employee be confined to a hospital for sickness or injury while on authorized vacation, each full day of such confinement, when confirmed by a physician's statement and approved by the Executive Director, may be deducted from the computation of vacation expended and charged against the employee's accumulated sick leave.

2. A period of earlier service does not apply toward the calculation of the completed years of service factor for vacation accrual when an employee has had a break in continuous service, unless the break in service is concluded by reappointment, as provided in Section 9-114 of the Civil Service Rules and Regulations, or by reemployment from layoff within one (1) year. Leave of absence without pay, as provided in Article X, Subsection 10.1 (E) (Sick Leave - Extended), Article X, Subsection 10.7 (Authorized Absence Without Pay - Long Term) and Article X, Subsection 10.11 (Catastrophic Leave) herein, does not constitute a break in continuous service as used in this section; however, the leave of absence period shall not be applied toward the accumulation of vacation. Absence on military
leave followed by reinstatement, as provided in Chapter 9-143 of the Civil Service Rules and Regulations, does not constitute a break in service, and the period of absence on such military leave shall be applied toward the accumulation of vacation.

3. Vacation Buy-Back. Employees covered by this MOU are eligible to require the city to buy back up to eighty (80) hours of their banked vacation per fiscal year.

9.3 Vacation Carry Over

A. No employee may carry over from one (1) calendar year to the next, more than the maximum vacation carryover as set forth in the following table. Any vacation not used beyond the maximum carryover amount from year to year is forfeited, meaning that no pay shall be received for such unused vacation at any time. With respect to any vacation forfeited in this manner, this provision constitutes a waiver of any rights to vested vacation benefits under California Labor Code section 227.3.

10.0 OTHER LEAVES OF ABSENCE

10.1 Sick Leave.

A. Definition. Except as otherwise provided below, sick leave shall be deemed to mean absence from duty of an employee because of illness, injury, medical, or dental appointment that prevents the employee from performing the duties of his or her position, and shall be deemed to include time in quarantine resulting from exposure to a contagious disease.

B. Accrual. Each employee shall be entitled to, and shall earn, one (1), eight (8) hour working day of sick leave for each full calendar month of service in which he is employed by the City with full pay; provided, however, any absence on sick leave for a period of time greater than fifteen (15) consecutive calendar days in any one (1) calendar month shall not be considered to be service entitling an employee to earn sick leave as aforesaid. Subject to the other provisions in this Article, sick leave shall accrue to the credit of each employee to the extent that it is not used.

C. Authorized Only When Necessary. Use of sick leave by City employees shall be authorized as follows:

1. Sick leave is not a right which an employee may use at his or her discretion, but shall be allowed only in cases of necessity and actual sickness or disability, or as authorized in Subsection J below.

2. When an accepted industrial illness or injury has caused an employee’s absence, for which benefits are required under the State Workers’ Compensation Insurance and Safety Act, paid sick leave will be allowed such employee during the first three (3) days of the statutory waiting period. If the workers’ compensation related illness or injury continues past the initial three (3) consecutive days, the employee will have the three (3) used sick days recredited to his or her account, if the employee remains off work longer than 14 days. Paid sick leave will continue until the fourth (4th) day when the City pays the employee workers’ compensation benefits for such illness or injury. If the employee does not have sufficient accumulated sick leave at the commencement of such industrial illness or injury, they will be advanced sick leave for this purpose. Subsequently, the City will deduct an
equal amount previously advanced from any sick leave accrued by the employee until the total amount is recovered. If the employee terminates before recovery of all advanced sick leave, the City will deduct the unrecovered cost of sick leave from such terminated employee’s final paycheck, to the extent possible.

Commencing with Council approval of this MOU, the City may authorize employees to use sick leave or vacation time for approved workers’ compensation medical appointments as specified herein. The City may authorize use of such leave for City approved medical appointments whenever such appointments cannot be secured outside the employee’s regular workday, and salary continuation or workers’ compensation benefits are not available.

D. Limit.

1. The maximum total accumulation of sick leave with pay shall be two hundred fifty (250) eight (8) hour working days equal to two thousand (2000) hours. Sick leave usage of less than a full day shall be charged in minimum increments of one-half (1/2) hour, with fractional usage rounded upward to the next higher multiple of one-half (1/2) hour.

2. The total amount of accumulated sick leave permitted to be compensated or converted to employee’s Retirement Health Savings Account as specified herein under Subsection 10.1 (K) of this Article at the time of non-disciplinary termination shall not exceed one thousand two hundred (1200) hours.

E. Extended. The City Manager may grant leave up to six (6) months without pay to an employee who has exhausted all of his or her accrued sick leave if a licensed physician designated by the City Manager indicates that the employee will be sufficiently recovered to return to his or her employment within a six (6) month period. Prior to the expiration of the additional time, the employee may return to his or her position provided that the employee has a certificate from the designated physician stating that the employee is able to perform all the duties of his or her position without qualification. In addition to the above, the City Manager may grant a further extension not to exceed a total of one (1) year without pay.

When the absence is more than three (3) consecutive working days, the employee must present to his or her Executive Director a physician’s certificate stating the cause of illness and that, in the physician’s opinion, the employee could not report to work because of such illness or injury and that the employee is sufficiently recovered to safely return to work. Such certificate shall be transmitted to the Executive Director of Human Resources with the report of the employee’s return to work.

A physician’s certificate or other satisfactory written evidence of actual illness or injury may be required after an absence of any duration less than three (3) days.

H. **Denial.** No employee shall be entitled to sick leave with pay while absent from duty because of sickness or injury purposely self-inflicted or caused by willful misconduct; or, sickness or disability sustained while engaged in employment other than employment by the City, for monetary gain or other compensation, or by reason of engaging in business or activity for monetary gain or other compensation.

It is the intent of the parties hereto that the provisions of this MOU will supersede all prior MOUs, memoranda of MOU, memoranda of understanding, or contrary salary, and/or personnel rules and regulations, Municipal Code provisions of the City, oral or written MOUs expressed or implied between the parties. 19.0 GRIEVANCE REVIEW PROCEDURE

19.1 Definition of a Grievance. A grievance shall be defined as a timely complaint by an employee or group of employees or the Association concerning the interpretation or application of specific provisions of this MOU, or of the rules and regulations governing personnel practices or working conditions of the City, except, however, those matters specifically assigned to the jurisdiction of the City Personnel Board by those provisions of the City Charter and the Civil Service Rules and Regulations.

No employee shall suffer any reprisal because of filing or processing of a grievance or participation in the Grievance Review Procedure.

19.2 Informal Process.

A. An employee must first attempt to resolve the grievance on an informal basis through discussion with his or her immediate supervisor without undue delay, but in no case, beyond a period of ten (10) calendar days after the occurrence of the alleged incident giving rise to the grievance, or when the grievant knew or should have reasonably become aware of the facts giving rise to the grievance.

B. Every effort shall be made to find an acceptable solution to the grievance through this informal means at the most immediate level of supervision.

C. In order that this informal procedure may be responsive, both parties involved shall expedite this process. If, within five (5) working days, a mutually acceptable solution has not been reached at the informal level, the employee shall then set forth the grievance in writing, indicate the nature of the action desired, sign it, and submit it in duplicate to his or her immediate supervisor. At this point, the grievance review process becomes formal. B. If the grievant files a written grievance with the Department Head in the manner and within the time limits specified, then a conference shall be held at the request of the employee or the Department Head.

C. The Department Head shall inform the employee of his or her action within ten (10) calendar days after receipt of the request of the settlement. The original of the grievance form and the Department Head's decision shall be filed in the personnel records of the department.

D. If no satisfactory settlement has been reached at the departmental level, the employee may, within ten (10) calendar days after being informed by the Department Head of his or her decision on the matter, and the reasons thereof, submit the grievance in writing to the City Manager, or his or her duly authorized representative, for determination. Failure of the grievant to take this action will constitute a waiver and bar to the grievance, and the grievance will be considered settled on the basis of the Department Head's response.

E. The City Manager or his duly authorized representative, after a careful review, shall render a final decision on the merits of the grievance, in writing, and return it to the grievant within fifteen (15) calendar days after receiving the grievance. A copy of the written grievance to the City Manager, or his or her duly authorized representative, and of the City Manager's or his or her representative's written decision shall be filed in the personnel records of the department and the grievant's personnel jacket maintained in the Human Resources Department.
