

COMMUNICATION LINKAGE FORUM

The Santa Ana Communication Linkage Forum (Com-Link) was created in 1989 to provide opportunities for neighborhood leaders to come together and discuss public policy issues that were relevant to Santa Ana neighborhoods. Since then, the neighborhood association (N.A.) movement has flourished and Com-Link has grown from an original group of five to sixty-four neighborhood associations.

2018-2019 Board of Com-Link:
