Dear Neighbor:

We are now taking nominations for candidates who would like to be considered in our upcoming June 27th Com-Link Board Elections for June 2019-2021. We have four positions up for election (three representing Neighborhood Associations and one representing the General Santa Ana Community for areas not represented by a recognized neighborhood association) and we are looking for a few good neighbors who believe that there is strength in neighborhoods.

In accordance with the Com-Link By-Laws, please review the following criteria and submit your nominations at your earliest convenience. The Com-Link By-Laws state:

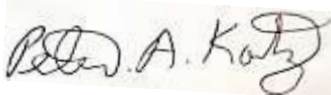

1. Candidates must be present at the June Com-Link meeting (unless prior notification is provided to the Board).
2. Candidates' neighborhood association or Greater Santa Ana Community (GSAC), e.g. for non-recognized neighborhood association areas, must have met the voting eligibility guideline by having a representative in attendance for a minimum of four Com-Link general meetings in the most recent "Com-Link Calendar Year" from May 2018 through April 2019.

We are also asking that:

1. Candidates must be active members of a recognized Santa Ana neighborhood association or in the Greater Santa Ana Community (e.g. mobile home park, condominiums, multi-family residential, or single-family housing tract) that is not within the boundaries of a recognized neighborhood association.
2. Candidates may choose to submit a statement of no more than 150 words, by Thursday, June 20, 2019 to Margarita Macedonio, City of Santa Ana at mmacedonio@santa-ana.org and include why you would make an excellent Com-Link Board Member. Candidate statements will then be distributed at our next meeting prior to the vote.
3. Candidates should have a good working knowledge of the issues before Com-Link and a good understanding of the Com-Link Mission: *The Communication Linkage Forum strives to promote positive leadership, community participation, unity and pride in all neighborhoods by improving the quality of life in Santa Ana "block-by-block."*
4. Candidates must be willing to dedicate two years of service as an elected Board Member.
5. Candidates must be willing to attend all Com-Link Board Meetings on the first Monday of each month and all General Com-Link Meetings held on the fourth Thursday of each month, with no more than four unexcused absences per year during their term of office.
6. Candidates must commit to work hard to fulfill Com-Link's Mission Statement, to keep Com-Link a non-partisan civil forum, and to improve Com-Link's outreach and positive influence in this community.

Please remember, the Santa Ana Neighborhood Communication Linkage Forum strives to promote positive leadership, community participation, unity, and pride in all neighborhoods by improving quality of life in Santa Ana, "Block by Block."

Sincerely,

Peter A. Katz
President 2018-2019
