RIVERVIEW NEIGHBORHOOD WATER MAIN IMPROVEMENTS PROJECT

Spring 2020 – Spring 2021

PROJECT DESCRIPTION

Riverview Water Main Improvements within the Riverview Neighborhood

- Replace cast iron water main with new polyvinyl chloride (PVC) water main
- Replace fire hydrants, cracked asphalt, and traffic striking
- Project will significantly improve water service reliability and protect water quality
- Improvements will also enhance ride quality, surface drainage, and appearance of area
- Potential for disruption due to water main breaks will be substantially reduced
